# Safety Instruction Guide for TYPE S BUSHING NECK DIE SETS REDDING 300 PRC BUSHING NECK DIE SET

## Introduction

Thank you for choosing the TYPE S BUSHING NECK DIE SETS from Redding. This guide provides essential safety instructions and usage guidelines to ensure safe and effective operation of your die set. Please read this guide thoroughly before use.

## General Safety Guidelines

- Always handle the die set with care to prevent injury.
- Ensure that the workspace is clean and free of obstructions.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Keep the die set out of reach of children and vulnerable individuals.
- Be aware of the potential hazards associated with reloading ammunition and take necessary precautions.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper handling may result in cuts or injuries.
  - Misuse of the die set can lead to dangerous ammunition errors.
- **Avoiding Hazards:**
  - Always follow the manufacturer's instructions for operation.
  - Do not exceed the recommended specifications for case neck size and tension.
  - Ensure that the die set is properly maintained and inspected before each use.
  - Never attempt to modify the die set in any way.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is compatible with the die set.
- Securely mount the Type S Bushing Neck Die in the reloading press according to the manufacturer's instructions.
- Insert the appropriate bushing into the die before use.

### 2. Usage:

- Adjust the die to the desired neck size and tension according to your reloading specifications.
- Insert the case into the die and operate the press to resize the neck.
- After resizing, check the case neck for proper fit and tension.
- Repeat the process as necessary for additional cases.

### 3. PostUsage:

- Clean the die set after use to prevent corrosion and maintain performance.
- Store the die set in a safe and dry location, ensuring it is not accessible to children.

## Disposal Instructions

- Dispose of any damaged or wornout components of the die set in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the use of your TYPE S BUSHING NECK DIE SETS, refer to the manufacturer's website or contact their customer service for assistance. Always ensure you have the latest information regarding product recalls and safety alerts by checking the EU Safety Gate platform.

By following these guidelines, you can ensure a safe and effective reloading experience with your TYPE S BUSHING NECK DIE SETS REDDING 300 PRC BUSHING NECK DIE SET. Always prioritize safety and compliance with the EU General Product Safety Regulation.
