

TYPE-S ELITE BUSHING DIE SET - REDDING 308 WINCHESTER BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

INCLUDES - Type S - Bushing Full Sizing Die Type S - Bushing Neck Sizing Die Competition Seating Die Redding Reloading Equipment has once again established a new die set based on customer feedback. The past few years you have seen the introduction of many new sets like the National Match, Master Hunter and the Premiums as a result of changing trends in the category and stated desires of the customer base. The latest, the Redding, Type S Elite die set is also a direct result of customer feedback and is available for 85 different cartridges. The Type S Elite set is comprised of a Type S Bushing Full Die, A Type S Bushing Neck Die and the unparalleled Redding Competition Seating Die. All Type-S dies use an interchangeable bushing to control neck diameter and tension to an increment of 0.001". Bushings are available in hardened steel but also are available with a TIN (Titanium Nitride) coating for even greater lubricity. This allows the handloader complete control and precision when setting the appropriate neck tension without fear of over working the brass in the case neck. These bushings are also free-floating to self-center on the case neck for a higher degree of sizing accuracy. These features provide not only an enhanced degree of control but significant improvements to consistency and accuracy of the final loaded rounds.

Attributes

Safety Instruction Guide for TYPES ELITE BUSHING DIE SET

Introduction

Thank you for choosing the TYPES ELITE BUSHING DIE SET from Redding. This guide provides important safety information and instructions to ensure the safe and effective use of your die set. Please read this manual carefully before using the product.

General Safety Guidelines

- Follow all instructions provided in this manual to ensure safe use of the die set.
- Ensure that your workspace is clean, organized, and free from distractions.
- Always wear appropriate safety gear, including safety glasses, when using reloading equipment.
- Keep the die set out of reach of children and vulnerable individuals.
- Be aware of potential hazards associated with reloading, including the handling of firearms and ammunition.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the die set is compatible with your specific cartridge before use.
- Inspect the die set for any signs of damage or wear before each use.
- Avoid overworking the brass in the case neck to prevent potential failures during reloading.
- Use the bushings as instructed to control neck diameter and tension accurately.
- Do not modify the die set or use it for purposes other than intended.
- Always follow recommended procedures for cleaning and maintaining the die set.

Instructions for Installation and Usage

1. Installation:

- Secure the die set in your reloading press according to the manufacturer's instructions.
- Ensure that all components are tightened properly to prevent movement during use.
- Select the appropriate bushing for your desired neck tension and install it in the full sizing die.

2. Usage:

- Begin by resizing your brass cases using the Bushing Full Sizing Die.
- Follow the recommended procedures for neck sizing with the Bushing Neck Sizing Die.
- Use the Competition Seating Die to seat your bullets accurately.
- Monitor the tension and diameter of the neck throughout the reloading process to maintain consistency.
- After reloading, inspect each round for any defects or irregularities before use.

Disposal Instructions

- Dispose of any damaged or worn components of the die set in accordance with local regulations.
- Recycle materials where possible to minimize environmental impact.
- Do not dispose of the die set in household waste.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly through their official channels. Ensure that you have your product details and any relevant information at hand for efficient assistance.

Thank you for following these safety guidelines. Enjoy your reloading experience with the TYPES ELITE BUSHING DIE SET!
