

# TYPE-S ELITE BUSHING DIE SET - REDDING 270 WSM BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

INCLUDES - Type S - Bushing Full Sizing Die Type S - Bushing Neck Sizing Die Competition Seating Die Redding Reloading Equipment has once again established a new die set based on customer feedback. The past few years you have seen the introduction of many new sets like the National Match, Master Hunter and the Premiums as a result of changing trends in the category and stated desires of the customer base. The latest, the Redding, Type S Elite die set is also a direct result of customer feedback and is available for 85 different cartridges. The Type S Elite set is comprised of a Type S Bushing Full Die, A Type S Bushing Neck Die and the unparalleled Redding Competition Seating Die. All Type-S dies use an interchangeable bushing to control neck diameter and tension to an increment of 0.001". Bushings are available in hardened steel but also are available with a TIN (Titanium Nitride) coating for even greater lubricity. This allows the handloader complete control and precision when setting the appropriate neck tension without fear of over working the brass in the case neck. These bushings are also free-floating to self-center on the case neck for a higher degree of sizing accuracy. These features provide not only an enhanced degree of control but significant improvements to consistency and accuracy of the final loaded rounds.

## Attributes

- Name: [REDDING 270 WSM BUSHING DIE SET](#)

# Safety Instruction Guide for TYPES ELITE BUSHING DIE SET REDDING 270 WSM BUSHING DIE SET

## Introduction

Thank you for choosing the TYPES ELITE BUSHING DIE SET from REDDING. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your bushing die set. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure safe handling and usage of the die set to prevent accidents.
- Be aware of potential hazards associated with reloading equipment.
- Always follow the manufacturer's instructions for safe operation.
- Store the die set out of reach of children and vulnerable individuals.
- Regularly check for product recalls and updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from debris during the reloading process.
- Use gloves to protect your hands from sharp edges and potential injury.
- Ensure your workspace is clean and organized to avoid accidents.
- Do not exceed the recommended specifications for cartridge loads as indicated by the manufacturer.
- Keep your hands and body clear of the die set's moving parts during operation.
- Avoid distractions while using the die set to maintain focus.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is compatible with the TYPES ELITE BUSHING DIE SET.
- Securely mount the die set in your reloading press according to the manufacturer's instructions.
- Check that all components are properly aligned and tightened before use.

### 2. Usage:

- Select the appropriate bushing for your desired neck diameter.
- Adjust the bushing to control neck tension, ensuring it does not exceed 0.001 inches.
- Use the Bushing Full Sizing Die for fulllength resizing of the cartridge.
- Use the Bushing Neck Sizing Die for neck sizing, ensuring proper fit without overworking the brass.
- Utilize the Competition Seating Die for precise bullet seating.
- Regularly inspect the die set for wear and damage before each use.

## Disposal Instructions

- Dispose of any unused or damaged components of the die set in accordance with local regulations.
- Recycle materials whenever possible, ensuring that they are disposed of in an environmentally friendly manner.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the manufacturer's contact information included with your product packaging.

Thank you for prioritizing safety while using the TYPES ELITE BUSHING DIE SET.
