

# TYPE-S ELITE BUSHING DIE SET - REDDING 26 NOSLER BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

INCLUDES - Type S - Bushing Full Sizing Die Type S - Bushing Neck Sizing Die Competition Seating Die Redding Reloading Equipment has once again established a new die set based on customer feedback. The past few years you have seen the introduction of many new sets like the National Match, Master Hunter and the Premiums as a result of changing trends in the category and stated desires of the customer base. The latest, the Redding, Type S Elite die set is also a direct result of customer feedback and is available for 85 different cartridges. The Type S Elite set is comprised of a Type S Bushing Full Die, A Type S Bushing Neck Die and the unparalleled Redding Competition Seating Die. All Type-S dies use an interchangeable bushing to control neck diameter and tension to an increment of 0.001". Bushings are available in hardened steel but also are available with a TIN (Titanium Nitride) coating for even greater lubricity. This allows the handloader complete control and precision when setting the appropriate neck tension without fear of over working the brass in the case neck. These bushings are also free-floating to self-center on the case neck for a higher degree of sizing accuracy. These features provide not only an enhanced degree of control but significant improvements to consistency and accuracy of the final loaded rounds.

## Attributes

- Name: [REDDING 26 NOSLER BUSHING DIE SET](#)
- Manufacturer: [REDDING](#)
- Product no.: 749019201
- Mfr. No.: 60261

# **TYPES ELITE BUSHING DIE SET Safety Instruction Guide**

## **Introduction**

Thank you for choosing the TYPES ELITE BUSHING DIE SET for your reloading needs. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the die set.

## **General Safety Guidelines**

- Ensure safe use of the die set by following all instructions.
- Familiarize yourself with the equipment before use to avoid accidents.
- Keep the die set out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including safety glasses and gloves, when reloading.
- Ensure that your workspace is clean, welllit, and free from distractions.
- Inspect all components of the die set before use to ensure they are in good condition.
- Do not exceed the recommended load specifications for your cartridges.
- Use the die set only for its intended purpose and with compatible cartridges.
- Be cautious when handling brass and other materials, as they may have sharp edges.

## **Instructions for Installation and Usage**

### **1. Setup of the Die Set**

- Carefully unpack the die set and check for all included components: Type S Bushing Full Die Type S Bushing Neck Die Competition Seating Die
- Ensure that you have the appropriate bushings for your desired neck tension.

### **2. Installation of the Dies**

- Securely mount the dies in your reloading press according to the manufacturer's instructions.
- Adjust the dies to achieve the desired settings for your specific cartridge.

### **3. Reloading Process**

- Follow the reloading sequence: Start with the Bushing Full Die to size the brass. Use the Bushing Neck Die to size the neck of the brass. Finally, use the Competition Seating Die to seat the bullet.
- Monitor the neck tension to avoid overworking the brass.

### **4. PostReloading**

- Inspect the finished rounds for consistency and quality.
- Store the reloaded ammunition in a safe and secure location.

## **Disposal Instructions**

- Dispose of any used or damaged components of the die set according to local regulations.

- Do not dispose of any materials in regular household waste if they are considered hazardous.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For additional support or inquiries regarding the TYPES ELITE BUSHING DIE SET, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with the TYPES ELITE BUSHING DIE SET. Thank you for your attention to safety.
