

TYPE-S ELITE BUSHING DIE SET - REDDING 338 LAPUA MAGNUM BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

INCLUDES - Type S - Bushing Full Sizing Die Type S - Bushing Neck Sizing Die Competition Seating Die Redding Reloading Equipment has once again established a new die set based on customer feedback. The past few years you have seen the introduction of many new sets like the National Match, Master Hunter and the Premiums as a result of changing trends in the category and stated desires of the customer base. The latest, the Redding, Type S Elite die set is also a direct result of customer feedback and is available for 85 different cartridges. The Type S Elite set is comprised of a Type S Bushing Full Die, A Type S Bushing Neck Die and the unparalleled Redding Competition Seating Die. All Type-S dies use an interchangeable bushing to control neck diameter and tension to an increment of 0.001". Bushings are available in hardened steel but also are available with a TIN (Titanium Nitride) coating for even greater lubricity. This allows the handloader complete control and precision when setting the appropriate neck tension without fear of over working the brass in the case neck. These bushings are also free-floating to self-center on the case neck for a higher degree of sizing accuracy. These features provide not only an enhanced degree of control but significant improvements to consistency and accuracy of the final loaded rounds.

Attributes

- Name: [REDDING 338 LAPUA MAGNUM BUSHING DIE SET](#)

Safety Instruction Guide for TYPES ELITE BUSHING DIE SET REDDING 338 LAPUA MAGNUM BUSHING DIE SET

Introduction

Thank you for choosing the TYPES ELITE BUSHING DIE SET REDDING 338 LAPUA MAGNUM BUSHING DIE SET. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the die set.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading materials.
- Keep the die set and all related equipment out of reach of children and unauthorized users.
- Do not use the die set for any purpose other than its intended use.
- Regularly inspect the die set for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding ammunition reloading and use.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Potential hazards include handling of sharp tools, exposure to lead, and risks associated with improper reloading practices.
- **Avoiding Hazards:**
 - Always handle the dies and tools carefully to avoid cuts or injuries.
 - Ensure a wellventilated area when reloading to minimize lead exposure.
 - Follow recommended load data and guidelines to prevent overloading cartridges.
 - Keep your work area clean and organized to reduce the risk of accidents.

Instructions for Installation and Usage

- **Installation:**
 - Ensure your reloading press is securely mounted and stable.
 - Attach the Type S Bushing Full Die and Neck Die according to the manufacturer's instructions.
 - Use the appropriate bushings for your specific neck diameter requirements.
- **Usage:**
 - Set the die to the desired depth and ensure it is locked in place before beginning reloading.
 - Use the Competition Seating Die for precise bullet seating. Adjust as necessary for desired bullet depth.
 - Regularly check the neck tension and adjust the bushing as needed to maintain consistent results.

Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of lead or other hazardous materials in regular trash. Follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For any safety inquiries or support regarding the TYPES ELITE BUSHING DIE SET, please refer to the product packaging or visit the manufacturer's website for additional resources and contact details.

Thank you for your attention to these safety instructions. Proper use and maintenance of your TYPES ELITE BUSHING DIE SET will enhance your reloading experience and ensure safe practices.
