

TYPE-S ELITE BUSHING DIE SET - REDDING 33 NOSLER BUSHING DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

INCLUDES - Type S - Bushing Full Sizing Die Type S - Bushing Neck Sizing Die Competition Seating Die Redding Reloading Equipment has once again established a new die set based on customer feedback. The past few years you have seen the introduction of many new sets like the National Match, Master Hunter and the Premiums as a result of changing trends in the category and stated desires of the customer base. The latest, the Redding, Type S Elite die set is also a direct result of customer feedback and is available for 85 different cartridges. The Type S Elite set is comprised of a Type S Bushing Full Die, A Type S Bushing Neck Die and the unparalleled Redding Competition Seating Die. All Type-S dies use an interchangeable bushing to control neck diameter and tension to an increment of 0.001". Bushings are available in hardened steel but also are available with a TIN (Titanium Nitride) coating for even greater lubricity. This allows the handloader complete control and precision when setting the appropriate neck tension without fear of over working the brass in the case neck. These bushings are also free-floating to self-center on the case neck for a higher degree of sizing accuracy. These features provide not only an enhanced degree of control but significant improvements to consistency and accuracy of the final loaded rounds.

TYPES ELITE BUSHING DIE SET SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TYPES ELITE BUSHING DIE SET REDDING 33 NOSLER BUSHING DIE SET. This product is designed to enhance your reloading experience while ensuring safety and precision. Please read and follow these safety instructions carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure that the work area is clean, welllit, and free from distractions.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Keep the die set out of reach of children and pets.
- Store the die set in a dry and secure location when not in use.
- Regularly inspect the die set for any signs of wear or damage before each use.

Specific Safety Precautions for Use

- Ensure that the bushing die is properly adjusted before use to avoid overworking the brass.
- Use only the recommended bushings compatible with the TYPES ELITE BUSHING DIE SET to maintain safety and performance.
- Do not exceed the manufacturer's recommended load limits when reloading ammunition.
- Handle all components of the die set with care to avoid injury.
- Follow proper procedures for cleaning and maintaining the die set to prevent malfunctions.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted to a stable workbench.
- Select the appropriate bushing for your cartridge and install it into the Bushing Full Sizing Die.
- Tighten the die securely in the press according to the manufacturer's instructions.

2. Usage:

- Begin by resizing the brass using the Bushing Full Sizing Die. Adjust the bushing to achieve the desired neck tension.
- After resizing, use the Bushing Neck Sizing Die to further refine the neck of the brass.
- Finally, use the Redding Competition Seating Die to seat the bullet to the correct depth.
- Always check the cartridge dimensions after each step to ensure consistency.

3. PostUse:

- Clean the dies after use to remove any residue or debris.
- Store the dies in a protective case to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away the die set in regular household waste; check for recycling programs or hazardous

waste disposal options in your area.

Contact Information for Further Support

For further support, please refer to the product manual or visit the manufacturer's website for additional resources and assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with the TYPES ELITE BUSHING DIE SET REDDING 33 NOSLER BUSHING DIE SET. Thank you for your attention to safety.
