# **Safety Instruction Guide for TYPE S BUSHING NECK DIE SETS REDDING 300 PRC TYPE S NECK DIE SET**

## **Introduction**

Thank you for choosing the TYPE S BUSHING NECK DIE SETS REDDING 300 PRC TYPE S NECK DIE SET. This guide provides important safety instructions to ensure safe usage and handling of the product. Please read and understand all instructions before use.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using reloading equipment.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before use.
- If you notice any abnormalities or defects, do not use the product and contact the manufacturer for guidance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use the die set in a wellventilated area to avoid inhalation of any fumes or dust.
- Ensure that all components are securely fastened before operation to prevent accidents.
- Do not exceed the recommended specifications for the die set to avoid potential hazards.
- Avoid using the die set if you are tired, under the influence of drugs or alcohol, or distracted.
- Always follow the manufacturer's instructions for setup and operation.
- Be cautious of sharp edges on the die set to prevent cuts or injuries.

## **Instructions for Installation and Usage**

### **1. Unboxing and Inspection**

- Carefully remove the die set from the packaging.
- Inspect all components for damage or defects.

### **2. Setup**

- Secure the die set in a stable reloading press.
- Install the Type S Bushing Neck Die according to the manufacturer's instructions.
- Ensure the Body Die is also installed properly.

### **3. Reloading Process**

- Adjust the bushing to achieve the desired neck tension.
- Insert the case into the die and follow the reloading steps as per your reloading manual.
- Monitor the process closely to ensure safety and accuracy.

### **4. PostUse Care**

- Clean the die set after each use to prevent corrosion and maintain performance.
- Store the die set in a dry and safe location, away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the die set is damaged beyond repair, dispose of it responsibly, ensuring that it does not pose a hazard to others.
- Check local guidelines for the disposal of metal products.

## **Contact Information for Further Support**

For further support, please refer to the manufacturer's contact details provided on the product packaging or visit the official website. Always ensure that you have the most current information regarding safety and product updates.

By following these safety instructions, you can ensure a safe and effective reloading experience with the TYPE S BUSHING NECK DIE SETS REDDING 300 PRC TYPE S NECK DIE SET. Thank you for prioritizing safety and compliance with EU regulations.
