Safety Instruction Guide for Redding 300 PRC Full Length Die Set

Introduction

Thank you for choosing the Redding 300 PRC Full Length Die Set. This guide provides essential safety instructions to ensure the safe and effective use of your die set. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe practices.

General Safety Guidelines

- Ensure that the die set is used only for its intended purpose.
- Always read and follow the instructions before use.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set for any damage before each use. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Cartridge Safety:** Only use the die set with the 300 PRC cartridge. Using it with other cartridges may pose risks.
- **Personal Protective Equipment:** Wear safety glasses and gloves when handling or using the die set to protect against metal fragments and debris.
- **Work Environment:** Use the die set in a wellventilated area, free from clutter and distractions.
- **Tool Maintenance:** Regularly clean the die set to prevent malfunctions. Follow the manufacturer's guidelines for maintenance.
- **Avoid Overexertion:** Do not force the die set during operation. If it does not move freely, stop and inspect for obstructions.

Instructions for Installation and Usage

- **Installation:**
 1. Secure the die set in a suitable reloading press according to the manufacturer's instructions.
 2. Ensure that the die is tightened properly to avoid movement during use.
 3. Adjust the die height according to the specifications for the 300 PRC cartridge.
- **Usage:**
 1. Begin by ensuring all components are clean and free from debris.
 2. Insert the cartridge case into the die set.
 3. Follow the reloading procedure as specified in your reloading manual.
 4. Always check the finished cartridge for proper dimensions and safety before use.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not discard the die set in regular household waste. Check for local recycling programs or hazardous waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact the manufacturer or your local distributor. They can provide additional support and guidance.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your reloading experience with the Redding 300 PRC Full Length Die Set!
