Safety Instruction Guide for Redding 6.5 Weatherby RPM Full Length Die Set

Introduction

Thank you for choosing the Redding 6.5 Weatherby RPM Full Length Die Set. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the die set is used only for its intended purpose, which is resizing and seating ammunition for the 6.5 Weatherby RPM cartridge.
- Always handle the die set with care to avoid injury.
- Keep the die set out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using the die set.
- Do not exceed the recommended load specifications for the 6.5 Weatherby RPM cartridge.
- Use the die set in a wellventilated area to avoid inhalation of any dust or debris.
- Ensure that your work area is clean and organized to prevent accidents.
- Do not use the die set if you are under the influence of alcohol, drugs, or any substances that may impair your judgment.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted to a stable workbench.
- Attach the full length sizing die to the press according to the manufacturer's instructions.
- Adjust the die to the desired depth for resizing the cartridge.

2. Usage:

- Insert a clean, empty 6.5 Weatherby RPM cartridge into the die.
- Operate the press handle smoothly to resize the cartridge.
- After resizing, remove the cartridge and inspect it for any defects.
- For seating, install the seating die following the same process as the sizing die.
- Measure the overall length of the seated cartridge to ensure it meets specifications.
- Store the die set in a dry, secure location when not in use.

Disposal Instructions

- Dispose of any damaged or worn components of the die set in accordance with local waste disposal regulations.
- Do not discard the die set in regular household waste if it contains hazardous materials.
- If unsure about disposal methods, consult local authorities for guidance.

Contact Information for Further Support

For additional support or inquiries regarding safety concerns, please refer to the manufacturer's website or contact their customer service directly.

Thank you for your attention to these safety instructions. Your safety is our priority.
