# Safety Instruction Guide for Redding 350 Legend Full Length Die Set

## Introduction

Thank you for choosing the Redding 350 Legend Full Length Die Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before use to understand the necessary precautions and procedures.

## General Safety Guidelines

- Ensure that the die set is used only for its intended purpose as specified in the product description.
- Always keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set before each use for any signs of damage or wear. Do not use if damaged.
- Follow all local, state, and national laws and regulations regarding the use of reloading equipment.
- Use appropriate personal protective equipment, such as safety glasses and gloves, when handling the die set.

## Specific Safety Precautions for Use

- Always work in a wellventilated area to avoid inhaling any dust or particles generated during the reloading process.
- Avoid wearing loose clothing or jewelry that could get caught in machinery.
- Be cautious when handling primers and powders; store them in a safe, dry place away from direct sunlight and heat sources.
- Never exceed the maximum load specifications as indicated in reliable reloading manuals.
- Keep your workspace clean and organized to minimize the risk of accidents.

## Instructions for Installation and Usage

### 1. Installation of the Die Set:

- Ensure your reloading press is securely mounted and stable.
- Follow the manufacturer's instructions for your specific reloading press model.
- Install the full length sizing die in the press according to the manufacturer's instructions. Ensure it is tightened securely.
- Install the seating die in the same manner, ensuring it is set to the correct depth for your cartridge.

### 2. Using the Die Set:

- Start by resizing the brass cases using the full length sizing die. Lubricate the cases as required to prevent sticking.
- After resizing, inspect each case for any defects or damage.
- Proceed to the reloading process by measuring and adding the appropriate amount of powder to each case.
- Use the seating die to insert the bullet into the resized case. Adjust the seating depth as necessary for your specific load.
- After loading, inspect each cartridge to ensure proper seating and crimping.

### 3. PostUse Care:

- Clean the die set after each use to prevent corrosion and maintain performance.
- Store the die set in a dry, cool place, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of any unused or expired reloading materials according to local regulations.
- Do not dispose of hazardous materials in regular trash. Follow your local guidelines for hazardous waste disposal.
- Ensure that the die set is disposed of in a manner that does not pose a risk to the environment or public safety.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of your Redding 350 Legend Full Length Die Set, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience. Thank you for your attention to these important safety measures.
