# Safety Instruction Guide for DELUXE 3DIE SETS REDDING 300 PRC 3 DIE SET

## Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 300 PRC 3 DIE SET. This guide provides important safety instructions and guidelines for the safe use of this product. Please read this document carefully to ensure proper handling and operation.

## General Safety Guidelines

- Product Safety: Ensure safe use of the die set by following all instructions and guidelines provided.
- Enhanced Recalls: Be aware of standardized recall notices. If any issues arise, free remedies will be provided for dangerous products.
- Online Shopping: If purchased online, ensure that the platform meets safety requirements similar to physical stores.
- Special Consumer Focus: Extra safeguards are recommended for vulnerable groups, such as children. Keep this product out of reach.
- EU Contact Point: For safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- Rapid Alerts: Stay informed about unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- Ensure that the work area is clean and welllit to prevent accidents.
- Avoid using the die set if it is damaged or if any components are missing.
- Do not exceed the recommended specifications for the die set to avoid malfunctions.
- Keep the die set away from children and pets to prevent accidents.
- Be cautious of sharp edges on the dies and tools; handle with care.
- Use the die set only for its intended purpose as described in this guide.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that your reloading press is compatible with the die set.

### 2. Installation:

- Securely mount the reloading press to a stable work surface.
- Insert the fulllength sizing die into the press and tighten it according to the manufacturer's specifications.
- Follow the same procedure for the standard seating die and the neck sizing die.

### 3. Usage:

- Carefully follow the reloading instructions provided with your ammunition components.
- Use the fulllength sizing die first to size the brass cases.
- Next, use the neck sizing die if necessary for specific applications.
- Finally, use the standard seating die to properly seat the bullets.
- Regularly check the dies for wear and tear and clean them as needed to maintain performance.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the die set is no longer usable, contact your local waste disposal authority for proper disposal methods.
- Do not throw away hazardous materials in regular trash. Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the DELUXE 3DIE SETS REDDING 300 PRC 3 DIE SET, please refer to the manufacturer's contact information provided on the product packaging or their official website.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the DELUXE 3DIE SETS REDDING 300 PRC 3 DIE SET. Thank you for your attention to safety.
