

# SEATER DIES - REDDING SEATTER DIE 300 PRC

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

# Safety Instruction Guide for SEATER DIES REDDING SEATTER DIE 300 PRC

## Introduction

Thank you for choosing the SEATER DIES REDDING SEATTER DIE 300 PRC. This product is designed for safe and effective use in reloading ammunition. To ensure your safety and the proper functioning of this product, please read this safety instruction guide carefully before use.

## General Safety Guidelines

- Ensure safe use of the product by following these guidelines:
  - Only use the die as intended for bullet seating.
  - Keep the die away from children and pets.
  - Always wear appropriate safety gear, including eye protection, when using the die.
  - Store the die in a secure location when not in use.
  - Regularly inspect the die for any signs of wear or damage before use.
- In case of any accidents or unsafe conditions:
  - Report unsafe products and incidents to the relevant authorities.
  - Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before using the die, ensure you have the following:
  - A compatible reloading press.
  - The correct caliber of bullet and casing.
- To avoid hazards, follow these precautions:
  - Do not exceed the recommended load specifications.
  - Ensure the die is properly secured in the reloading press before use.
  - Avoid working in a cluttered or poorly lit area.
  - Never attempt to modify the die or use it for unintended purposes.
- If you encounter any issues during use:
  - Stop using the die immediately.
  - Consult the troubleshooting section of your reloading press manual or contact a professional for assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Secure the die in the reloading press according to the manufacturer's instructions.
- Ensure that the bullet guide is properly aligned for accurate seating.
- Adjust the seating depth using the seating plug as per your specifications.

## 2. Usage:

- Insert the casing into the reloading press.
- Place the bullet on top of the casing.
- Slowly lower the ram of the press to seat the bullet.
- Check the depth of the seated bullet for accuracy.
- Repeat the process as necessary for additional rounds.

## Disposal Instructions

- When disposing of the SEATER DIES REDDING SEATTER DIE 300 PRC:
  - Follow local regulations for disposal of metal products.
  - Ensure that the die is cleaned of any residue before disposal.
  - Consider recycling the die if possible to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the SEATER DIES REDDING SEATTER DIE 300 PRC, please consult your local dealer or refer to the manufacturer's website for support resources.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the SEATER DIES REDDING SEATTER DIE 300 PRC responsibly and effectively.
