

SEATER DIES - REDDING SEATER DIE 2 CREEDMOOR

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

Safety Instruction Guide for SEATER DIES REDDING SEATER DIE 2 CREEDMOOR

Introduction

Thank you for choosing the SEATER DIES REDDING SEATER DIE 2 CREEDMOOR. This guide provides essential safety information to ensure the safe use of this product. Please read and understand these instructions carefully before using the die.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses, when using this product.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local regulations and guidelines regarding the use of reloading equipment.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always use the die in a wellventilated area to avoid inhaling any dust or particles.
- Avoid using the die with incompatible cartridges or materials.
- Do not exceed the recommended load specifications for your cartridges.
- Ensure that all components are properly secured before beginning the reloading process.
- Be cautious of sharp edges and moving parts during operation.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have all components of the Redding Seating Die before installation.
- Secure the die in a stable reloading press according to the manufacturer's instructions.
- Adjust the seating depth as needed by following the specific guidelines provided with the die.

2. Usage:

- Prepare your cartridges by ensuring they are clean and free from debris.
- Insert the bullet into the bullet guide of the die.
- Slowly operate the press to seat the bullet into the cartridge case.
- Inspect the finished cartridge for proper seating and crimping.
- Store completed cartridges in a safe and secure location.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local waste disposal regulations.
- Do not dispose of the die in regular household waste; check for recycling options or hazardous waste disposal facilities in your area.

Contact Information for Further Support

For any questions or concerns regarding the SEATER DIES REDDING SEATER DIE 2 CREEDMOOR, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety guidelines. Enjoy your reloading experience with the SEATER DIES
REDDING SEATER DIE 2 CREEDMOOR!
