Safety Instruction Guide for 6.5284 NORMA BRASS PETERSON CARTRIDGE

Introduction

Thank you for choosing the 6.5284 Norma Cartridge manufactured by Peterson Cartridge. This guide provides important safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to minimize risks and ensure a safe shooting experience.

General Safety Guidelines

- Always treat every cartridge as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store cartridges in a secure location, out of reach of children and unauthorized users.
- Use appropriate protective gear such as safety glasses and ear protection when handling and shooting.
- Be aware of your surroundings and ensure that the shooting area is clear of people and animals.
- Do not use cartridges that are damaged or show signs of wear.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with the 6.5284 Norma Cartridge before use.
- Only use ammunition for its intended purpose; do not modify cartridges in any way.
- Follow the manufacturer's instructions for your firearm regarding the use of ammunition.
- Do not exceed the recommended load specifications for your firearm.
- Avoid exposing cartridges to extreme temperatures or moisture, which may affect performance.
- Avoid using cartridges that have been stored improperly or are past their shelf life.

Instructions for Installation and Usage

1. Check Firearm Compatibility

- Verify that your firearm is chambered for the 6.5284 Norma Cartridge.
- Consult your firearm's manual for proper ammunition specifications.

2. Loading the Cartridge

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is empty.
- Insert the 6.5284 Norma Cartridge into the magazine or chamber as per the firearm's instructions.

3. Firing the Cartridge

- Ensure the shooting area is safe and clear of obstructions.
- Follow all safety protocols for firing your firearm.
- After firing, inspect the cartridge case for any signs of damage or malfunction.

4. Unloading the Firearm

- When finished shooting, always unload the firearm in a safe manner.
- Open the action and visually check the chamber to ensure it is empty.
- Store any remaining cartridges securely.

Disposal Instructions

- Dispose of used cartridges responsibly by following local regulations.
- Do not discard cartridges in regular trash; check for designated disposal sites or programs in your area.
- If you have damaged or malfunctioning cartridges, consult local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 6.5284 Norma Cartridge, please refer to the contact information provided on the packaging or visit the manufacturer's website.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your 6.5284 Norma Cartridge. Always prioritize safety and responsible handling practices.
