

6X47 LAPUA BRASS - PETERSON CARTRIDGE 6X47 LAPUA BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

The 6x47 Lapua is a caliber used by top shooters around the world. But the 6.5x47 is also a great caliber for less experienced shooters, because it is an easy caliber to develop accurate loads for. Handloaders often talk about “accuracy nodes” which refers to how broad the powder charge can range and still produce consistently accurate shots. Some calibers have very small accuracy nodes. Also, with some calibers the frequency of those nodes is a lot less. But the 6x47 Lapua caliber has a large number of accuracy nodes and those nodes cover a broad range. We know of one 6x47 shooter who put over 3,000 rounds through the same barrel, and even with that amount of throat wear is still shooting sub-MOA at 1,000 yards with the same load.

Attributes

- Name: [PETERSON CARTRIDGE 6X47 LAPUA BRASS 50/BOX](#)
- Manufacturer: [PETERSON CARTRIDGE](#)
- Product no.: 749019309
- Mfr. No.: 40035-R

Safety Instruction Guide for 6X47 LAPUA BRASS PETERSON CARTRIDGE

Introduction

Thank you for choosing the 6X47 Lapua Brass Peterson Cartridge. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the cartridges.

General Safety Guidelines

- Always handle cartridges with care and respect.
- Store cartridges in a cool, dry place, away from direct sunlight and heat sources.
- Keep cartridges out of reach of children and unauthorized individuals.
- Use cartridges only in firearms that are specifically designed for the 6X47 Lapua caliber.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- Inspect cartridges before use for any signs of damage or defects. Do not use damaged cartridges.
- Avoid using cartridges that have been stored improperly or for extended periods.
- Do not attempt to modify or alter the cartridges in any way.
- Use only recommended powders and components when handloading.
- Ensure that your firearm is clean and in good working condition before use.
- Always point the firearm in a safe direction when loading and unloading.
- Never leave a loaded firearm unattended.

Instructions for Installation and Usage

1. Loading the Cartridge:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to ensure it is clear.
- Insert the cartridge into the chamber or magazine according to the manufacturer's instructions.
- Close the action securely.

2. Firing the Cartridge:

- Take a stable shooting position and ensure your grip is secure.
- Align your sights on the target.
- Pull the trigger smoothly to fire the cartridge.
- After firing, keep the firearm pointed downrange until you are ready to unload.

3. Unloading the Cartridge:

- Open the action of the firearm.
- Remove any unfired cartridges from the chamber or magazine.
- Visually inspect the chamber to ensure it is clear.

Disposal Instructions

- Dispose of used cartridges and any packaging materials in accordance with local regulations.
- Do not dispose of cartridges in regular household waste.
- Consider recycling options where available for metal components.

Contact Information for Further Support

For any inquiries or concerns regarding the 6X47 Lapua Brass Peterson Cartridge, please contact the appropriate authorities or consult with your local firearms dealer.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your 6X47 Lapua Brass Peterson Cartridge. Always prioritize safety and responsible usage. Thank you for your attention to these important instructions.
