

# LONG-RANGE X 22 CALIBER (0.224") BULLETS - BARNES BULLETS LRX 22 CALIBER (0.224") BOAT TAIL 77GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Long-range hunting just got easier with the Long-Range X Bullet® (LRX) line. No lead, just 100% copper bullets designed after the Tipped Triple Shock™ X Bullet®. Features larger ogive and boat tail lengths to increase the B.C. values for improved long-range ballistic performance. The polymer tip starts the bullet expansion, opening the nose cavity instantly on contact, which doubles the bullet's original diameter. Four cutting petals guarantee extensive internal damage for a clean, quick kill.

## Attributes

- Name: [BARNES BULLETS LRX 22 CALIBER \(0.224"\) BOAT TAIL 77GR 50/BOX](#)

# Safety Instruction Guide for LONGRANGE X 22 CALIBER (0.224") BULLETS

## Introduction

Thank you for choosing the LONGRANGE X 22 CALIBER (0.224") BULLETS from BARNES BULLETS. This guide provides essential safety instructions to ensure safe handling and usage of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Always treat every bullet as if it is loaded and capable of firing.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Regularly check your ammunition for signs of damage or corrosion.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Do not use ammunition that is damaged or appears to be defective.
- Ensure that your firearm is compatible with the 22 caliber bullets before use.
- Follow the manufacturer's guidelines for the firearm and ammunition.
- Avoid using ammunition in conditions that are excessively hot or cold.
- Do not mix different types of ammunition in your firearm.

## Instructions for Installation and Usage

- Before loading your firearm, ensure that it is pointed in a safe direction.
- Load bullets into the magazine or chamber according to the firearm's manual.
- Check to ensure that the bullet is seated correctly before firing.
- Fire only in designated shooting areas, and ensure that all safety measures are in place.
- After firing, inspect the firearm and ammunition for any issues or malfunctions.
- Clean your firearm regularly to maintain optimal performance and safety.

## Disposal Instructions

- Dispose of any unused or damaged ammunition according to local hazardous waste regulations.
- Never throw ammunition in regular trash or landfill.
- Contact local authorities or waste management services for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the LONGRANGE X 22 CALIBER (0.224") BULLETS, please refer to the manufacturer's contact details provided on the packaging or visit their official website.

Thank you for prioritizing safety. Enjoy your shooting experience responsibly!
