

# LONG-RANGE X 6MM (0.243") BULLETS - BARNES BULLETS LRX 6MM (0.243") BT 95GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Long-range hunting just got easier with the Long-Range X Bullet® (LRX) line. No lead, just 100% copper bullets designed after the Tipped Triple Shock™ X Bullet®. Features larger ogive and boat tail lengths to increase the B.C. values for improved long-range ballistic performance. The polymer tip starts the bullet expansion, opening the nose cavity instantly on contact, which doubles the bullet's original diameter. Four cutting petals guarantee extensive internal damage for a clean, quick kill.

## Attributes

- Name: [BARNES BULLETS LRX 6MM \(0.243"\) BT 95GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749019356
- Mfr. No.: 30862
- Ballistic Coefficient (G1): 0.436
- Brand Style: Long Range X
- Bullet Style: LRX BT
- Caliber: 6mm
- Diameter (in): 0.243
- Grain: 95
- Sectional Density: 0.230
- Quantity: 50
- Delivery weight: 0.354kg
- Shipping height: 64mm
- Shipping width: 51mm
- Shipping length: 89mm
- UPC: 716876243952

# **LONGRANGE X 6MM (0.243") BULLETS BARNES BULLETS LRX 6MM (0.243") BT 95GR 50/BOX Safety Instruction Guide**

## **Introduction**

Thank you for choosing the LongRange X Bullet® (LRX) line by Barnes Bullets. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the bullets.

## **General Safety Guidelines**

- Ensure safe handling and usage of all nonfood products, including ammunition.
- Be aware of potential risks associated with using bullets and follow safety precautions.
- Always treat every bullet as if it is loaded and ready to fire.
- Store bullets in a cool, dry place, away from children and unauthorized users.
- Use only in firearms that are specifically designed for 6mm caliber ammunition.
- Check for any recalls or safety alerts on the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including eye and ear protection, when handling or firing bullets.
- Ensure that the firearm is pointed in a safe direction at all times during loading and unloading.
- Do not exceed the manufacturer's recommended loads as this can lead to dangerous malfunctions.
- Be mindful of your target and what lies beyond it; ensure a clear and safe backdrop.
- Never mix different brands or types of ammunition in the same firearm.
- Keep your fingers away from the trigger until you are ready to shoot.
- Do not use bullets that show signs of damage or corrosion.

## **Instructions for Installation and Usage**

### **• Installation:**

- Ensure the firearm is unloaded before inserting any bullets.
- Open the magazine and insert the bullets into the magazine according to the manufacturer's instructions.
- Close the magazine securely.

### **• Usage:**

- Always verify that the firearm is in good working condition before use.
- Load the firearm following the manufacturer's loading instructions.
- When ready to fire, ensure that the safety is disengaged and aim at the intended target.
- After firing, wait a few moments before checking the firearm to ensure it has fully discharged.
- Store any unused bullets in their original packaging and in a secure location.

## **Disposal Instructions**

- Dispose of used or damaged bullets in accordance with local regulations.
- Do not discard bullets in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the LongRange X Bullets, please refer to the manufacturer's website or contact their customer support service. Ensure you have the product details ready for assistance.

By following these safety instructions, you can ensure a safer experience while using the LongRange X Bullets. Always prioritize safety and responsible usage. Thank you for your attention to these guidelines.
