

# ORIGINALS 30 CALIBER (0.308") BULLETS - BARNES BULLETS

## ORIGINALS 30 CALIBER (0.308") FNFB 190GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Just like the bullet designed by Fred Barnes in the 1930s, Barnes Originals feature thick pure copper jackets around pure lead cores for reliable expansion and deep penetration on big game. Flat-base (FB) FN bullets have flat noses with exposed lead front. Some calibers available in SS semi-spitzer profile. Barnes Originals expand to up to 200% their original diameter and retain 70% to 90% of their original weight, helping you anchor the trophy of a lifetime.

# Safety Instruction Guide for ORIGINALS 30 CALIBER (0.308") BULLETS

## Introduction

Thank you for choosing the ORIGINALS 30 CALIBER (0.308") BULLETS by Barnes Bullets. This safety instruction guide provides essential information to ensure safe handling, usage, and disposal of the product. It is important to follow these guidelines to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Inspect ammunition before use to ensure it is free from defects, including corrosion or damage.
- Use appropriate personal protective equipment (PPE), such as safety glasses and hearing protection, when handling or firing ammunition.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- Ensure that the firearm you are using is compatible with 30 caliber (0.308") ammunition.
- Always verify that the firearm is unloaded before inserting or removing ammunition.
- Do not exceed the manufacturer's recommended load specifications for your firearm.
- Avoid using damaged or modified firearms, as they may pose a safety risk.
- Be aware of your surroundings when firing, ensuring a safe and clear shooting area.
- Do not fire at hard surfaces or water, as ricochets may occur.
- If a round does not fire, wait at least 30 seconds before attempting to remove it from the chamber.

## Instructions for Installation and Usage

- Carefully read the firearm's owner's manual for specific instructions regarding ammunition loading and usage.
- Load the ammunition into the magazine or chamber according to the manufacturer's instructions.
- Ensure that the firearm's safety mechanism is engaged until you are ready to fire.
- Maintain a proper shooting stance and grip to ensure control of the firearm during discharge.
- After firing, always check the firearm for any malfunctions or obstructions before loading additional ammunition.

## Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash or incinerate it.
- Contact local waste management authorities for guidance on proper disposal methods.
- Always ensure that any disposed ammunition is rendered safe and cannot be reused.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the ORIGINALS 30 CALIBER (0.308") BULLETS, please refer to the manufacturer's contact information provided on the packaging or product insert.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with the ORIGINALS 30 CALIBER (0.308") BULLETS. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for your attention to these important guidelines.
