

# BARNES M/LE TAC-TX 6.5MM (0.264") BULLETS - BARNES BULLETS TAC-TX 6.5MM (0.264") BOAT TAIL 115GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

All-copper TAC-TX™ rifle bullets have a proven reputation for accuracy. They're designed for controlled, double-diameter expansion and full functionality at close or long range. These bullets track straighter through barriers and have better weight retention than lead-core bullets.

# Safety Instruction Guide for BARNES M/LE TACTX 6.5MM Bullets

## Introduction

Thank you for choosing BARNES M/LE TACTX 6.5MM (0.264") Bullets. This guide provides important safety instructions to ensure safe handling, usage, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all users are familiar with firearm safety rules and regulations.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Always handle bullets with care to avoid accidental discharge.
- Regularly check for product recalls or safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Use only in firearms designed for the specified caliber (6.5mm).
- Ensure the firearm is in good working condition before use.
- Do not modify the bullets or use them in any manner not intended by the manufacturer.
- Avoid using bullets that show signs of damage or deformation.
- Follow all local laws and regulations regarding the use of ammunition.

## Instructions for Installation and Usage

- Before loading the bullets, ensure the firearm is unloaded.
- Load bullets into the magazine or chamber according to the firearm's manual.
- Confirm that the bullet is seated properly in the chamber.
- When ready to fire, ensure that you are in a safe and designated shooting area.
- After use, store bullets securely and safely.

## Disposal Instructions

- Dispose of any unused or expired bullets in accordance with local regulations.
- Do not throw bullets in regular trash or recycling bins.
- Contact local authorities or waste management services for safe disposal options.

## Contact Information for Further Support

For further support or inquiries regarding safety, please refer to the appropriate EU-based contact point for assistance.

By following these guidelines, you can ensure a safer experience with BARNES M/LE TACTX 6.5MM Bullets. Stay informed and prioritize safety at all times.
