

BARNES M/LE TAC-TX 30 CALIBER (0.308") BULLETS - BARNES BULLETS TAC-TX 30 CAL (0.308") M/LE PTFB 110GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

All-copper TAC-TX™ rifle bullets have a proven reputation for accuracy. They're designed for controlled, double-diameter expansion and full functionality at close or long range. These bullets track straighter through barriers and have better weight retention than lead-core bullets.

Safety Instruction Guide for BARNES M/LE TACTX 30 Caliber Bullets

Introduction

Thank you for choosing BARNES M/LE TACTX 30 Caliber (0.308") Bullets. This guide provides essential safety instructions to ensure safe handling and usage of this product. Please read and follow all instructions carefully to avoid potential hazards.

General Safety Guidelines

- **Product Safety:** Ensure safe use of this product by following all guidelines and instructions. This product is designed for use in firearms and should only be handled by individuals who are knowledgeable about firearms and ammunition.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. This product is not intended for use by minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated contact point within the EU.
- **Rapid Alerts:** Be aware of the Safety Gate system, which provides faster updates on unsafe products.

Specific Safety Precautions for Use

- **Handling:**
 - Always handle bullets with care and respect. Treat them as if they are live ammunition.
 - Do not point the bullet at yourself or others.
 - Store bullets in a cool, dry place away from direct sunlight and moisture.
- **Usage:**
 - Only use this product in firearms that are specifically designed for .308 caliber ammunition.
 - Ensure that your firearm is in good working condition before loading and firing.
 - Follow all local laws and regulations regarding the use of ammunition.
- **Transportation:**
 - Transport bullets in a secure container to prevent accidental discharge.
 - Always keep ammunition stored separately from firearms during transport.
- **Disposal:**
 - Do not dispose of bullets in regular trash. Follow local regulations for the disposal of ammunition.

Instructions for Installation and Usage

- **Loading the Firearm:**
 - Ensure the firearm is pointed in a safe direction.
 - Open the action and visually inspect the chamber to ensure it is clear of any obstructions.
 - Load the bullets according to the manufacturer's instructions for your specific firearm.
- **Firing:**
 - Always wear appropriate eye and ear protection when firing.
 - Maintain a safe distance from others while shooting.
 - Be aware of your surroundings and ensure that the area is safe for shooting.
- **Cleaning:**
 - After use, clean your firearm according to the manufacturer's instructions. This helps maintain the firearm's performance and safety.

Disposal Instructions

- **Disposal of Unused Bullets:**

- Contact local authorities or waste management facilities to inquire about safe disposal methods for unused or expired ammunition.

- **Recycling:**

- Some components may be recyclable. Check with local recycling facilities for guidance.

Contact Information for Further Support

For any inquiries or concerns regarding the safety of BARNES M/LE TACTX 30 Caliber Bullets, please refer to the designated EU contact point or the retailer from which you purchased the product.

By following these safety instructions, you can help ensure a safe and enjoyable experience with BARNES M/LE TACTX 30 Caliber Bullets. Always prioritize safety and responsible handling.
