

# RIFLE CASE HOLDERS - L.E. WILSON 6.5 GRENDAL NEW CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# L.E. Wilson 6.5 Grendel Rifle Case Holder Safety Instructions

## Introduction

Thank you for choosing the L.E. Wilson 6.5 Grendel Rifle Case Holder. This product is designed to enhance the accuracy and uniformity of your reloading process. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the Rifle Case Holder is used only for its intended purpose.
- Always handle the case holder and associated tools with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the case holder for any signs of wear or damage before use.
- Do not attempt to modify or repair the case holder; contact the manufacturer for assistance.
- Familiarize yourself with the reloading process and safety practices before use.

## Specific Safety Precautions for Use

- Always wear protective eyewear when trimming or reaming cases to prevent injury from debris.
- Ensure that the work area is clean and free from obstructions to avoid accidents.
- Use the case holder only with compatible cases; refer to the specifications for compatibility.
- Do not exceed the recommended trimming length or reaming depth as it may compromise case integrity.
- Handle all cases with care to avoid injury from sharp edges after trimming or reaming.
- Follow all safety regulations related to handling and storing ammunition components.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components for trimming or reaming.
- Ensure that you are working in a welllit and ventilated area.

### 2. Installation:

- Insert the case into the Rifle Case Holder, ensuring it is seated properly.
- If using a trimming tool, attach it securely to the case holder as per the manufacturer's instructions.

### 3. Usage:

- For trimming: Operate the trimmer according to the instructions provided with the tool, ensuring a steady and controlled motion.
- For reaming: Carefully follow the reaming instructions, applying only light pressure to avoid damaging the case.
- After completing the process, remove the case from the holder and inspect it for any defects.

### 4. PostUsage:

- Clean the case holder after each use to remove any debris or residue.
- Store the case holder in a safe, dry location when not in use.

## **Disposal Instructions**

- Dispose of any damaged or worn components of the Rifle Case Holder in accordance with local regulations.
- Recycle materials where possible, following your local recycling guidelines.
- Do not dispose of the case holder in regular household waste if it is still functional; consider donating it or passing it on to another user.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with the L.E. Wilson 6.5 Grendel Rifle Case Holder. Thank you for your attention to safety and for choosing our product.
