

# RIFLE CASE HOLDERS - L.E. WILSON 22-250 ACKLEY IMPROVED FIRED CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instruction Guide for L.E. Wilson 22250 Ackley Improved Fired Case Holder

## Introduction

Thank you for choosing the L.E. Wilson 22250 Ackley Improved Fired Case Holder. This product is designed to assist with trimming, primer pocket reaming, neck reaming, and deburring of rifle cases. To ensure safe and proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using the case holder.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the case holder before each use for any signs of damage or wear.
- Do not use the case holder if it is damaged or malfunctioning.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the case holder only with the specified cartridge type: 22250 Ackley Improved.
- Ensure that the case holder is compatible with your cases (Fired, New, Neck, or Full Length sized).
- Do not exceed the recommended trimming lengths as specified by the manufacturer.
- Always secure the case properly in the holder before performing any trimming or reaming operations.
- Avoid placing fingers near moving parts during operation to prevent injury.
- Keep your work area clean and free of distractions to maintain focus while using the product.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your work surface is stable and clean.
- Attach the L.E. Wilson Trimmer to your workbench or trimming machine according to the manufacturer's instructions.
- Insert the case holder into the trimmer, ensuring it is securely locked in place.

### 2. Usage:

- Load the fired case into the case holder, ensuring it is seated properly and securely.
- Begin trimming, reaming, or deburring as needed, following the specific instructions for each operation.
- After use, carefully remove the case from the holder and inspect it for any defects.
- Clean the case holder regularly to maintain its performance and longevity.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for metal and plastic components when available.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or use of this product, please refer to the manufacturer's website or contact their customer service for assistance. Ensure you have the product details available when seeking support.

Thank you for your attention to these safety instructions. Your safety is our priority, and following these guidelines will help ensure a safe and effective experience with your L.E. Wilson 22250 Ackley Improved Fired Case Holder.
