

RIFLE CASE HOLDERS - L.E. WILSON 375 RUGER CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson 375 Ruger Case Holder

Introduction

Thank you for choosing the L.E. Wilson 375 Ruger Case Holder. This product is designed to hold rifle cases securely during trimming and other processing activities. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle the case holder with care to avoid injury.
- Ensure that the case holder is compatible with your specific case type before use.
- Keep the case holder out of reach of children and vulnerable individuals.
- Regularly inspect the case holder for any signs of wear or damage.
- Do not use the case holder for any purpose other than its intended use.

Specific Safety Precautions for Use

- When trimming or reaming, ensure that your workspace is clean and free from distractions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the case holder.
- Ensure that the case holder is securely mounted to your trimmer before starting any operation.
- Avoid placing your hands near moving parts during operation to prevent injury.
- If you notice any unusual noises or vibrations while using the case holder, stop immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation:

- Ensure that the trimmer is turned off and unplugged before installation.
- Select the appropriate case holder for your case type (Fired or New).
- Securely attach the case holder to the trimmer according to the manufacturer's instructions.
- Doublecheck that the holder is properly aligned and tightened.

2. Usage:

- Insert the case into the case holder, ensuring it is seated properly.
- Turn on the trimmer and begin the trimming or reaming process.
- Maintain a steady hand and avoid excessive force during operation.
- Once the process is complete, turn off the trimmer and remove the case from the holder.

Disposal Instructions

- Dispose of the case holder according to local regulations.
- Do not dispose of the case holder in general waste if it is damaged or defective.
- Consider recycling the case holder if it is made of recyclable materials.

Contact Information for Further Support

For any safety inquiries or support, please reach out to your local L.E. Wilson distributor or visit our official

website for more information.

Thank you for following these safety instructions. Your safety is our priority, and we hope you have a successful experience with your L.E. Wilson 375 Ruger Case Holder.
