

RIFLE CASE HOLDERS - L.E. WILSON 7.62X39MM CASE HOLDER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

L.E. Wilson 7.62x39mm Rifle Case Holder Safety Instruction Guide

Introduction

Thank you for choosing the L.E. Wilson 7.62x39mm Rifle Case Holder. This product is designed to assist you in trimming, reaming, and deburring your rifle cases with precision and uniformity. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Always use the case holder as intended. Follow all instructions provided.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Follow any instructions provided in the event of a recall.
- **Online Shopping:** If purchased online, ensure you are buying from a reputable retailer that adheres to safety standards.
- **Special Consumer Focus:** Keep this product out of reach of children. It is not a toy and should only be used by individuals familiar with firearms and reloading equipment.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the case holder.
- Ensure the case holder is compatible with the type of cases you are using (Fired, New, Neck Sized, or Full Length Sized).
- Do not exceed the manufacturer's recommended limits for trimming or reaming.
- Check the case holder for any signs of damage or wear before each use. Do not use if damaged.
- Keep hands and other body parts clear of the trimming area to prevent injury.
- Use the case holder in a wellventilated area to avoid inhaling any dust or particles produced during use.
- Store the case holder in a safe place when not in use, away from moisture and extreme temperatures.

Instructions for Installation and Usage

1. Installation:

- Ensure your trimming equipment is turned off and unplugged before installing the case holder.
- Insert the case holder into the trimmer according to the manufacturer's instructions.
- Secure the case holder firmly to prevent movement during operation.

2. Usage:

- Select the appropriate case type (Fired, New, Neck Sized, or Full Length Sized) for your trimming needs.
- Place the case into the holder, ensuring it fits snugly and securely.
- Activate the trimming equipment according to the manufacturer's instructions.
- Monitor the trimming process closely to ensure accuracy and safety.
- Once trimming is complete, remove the case from the holder carefully.

Disposal Instructions

- Dispose of any damaged or worn case holders according to local regulations.
- If the case holder is no longer needed, consider recycling it if possible. Check with local recycling facilities for guidance.

Contact Information for Further Support

For further assistance or inquiries regarding the L.E. Wilson 7.62x39mm Rifle Case Holder, please consult the manufacturer's website or reach out to their customer support for guidance.
