

# STAINLESS NECK SIZING DIES - L.E. WILSON 223 ACKLEY IMPROVED BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. **\*\*NECK DIE BASE SOLD SEPARATELY\*\***  
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

# Safety Instruction Guide for Stainless Neck Sizing Dies L.E. Wilson 223 Ackley Improved Bushing Neck Die

## Introduction

Thank you for choosing the Stainless Neck Sizing Dies L.E. Wilson 223 Ackley Improved Bushing Neck Die. This product is designed to enhance your reloading experience by allowing you to control the neck sizing of your cartridge cases. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the die in accordance with the manufacturer's instructions.
- Ensure that the die is compatible with your specific reloading equipment.
- Keep the die and all related components out of reach of children and vulnerable individuals.
- Regularly inspect the die for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the specified sizing limits of the die to avoid damaging the cartridge case.
- Use the die only with an Arbor Press as recommended; do not attempt to use it with other types of presses.
- Ensure that the sizing bushing is securely installed before operation to prevent accidents.
- Wear appropriate safety gear, including safety glasses, while using the die.
- Handle all tools and equipment with care to avoid injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Arbor Press is set up on a stable and flat surface.
- Select the appropriate sizing bushing for your cartridge case and install it securely into the die.
- Insert the die into the Arbor Press according to the manufacturer's guidelines.

### 2. Usage:

- Place the cartridge case into the die, ensuring it is properly aligned.
- Apply pressure using the Arbor Press to size the neck of the cartridge case.
- Check the sizing after each operation to ensure it meets your specifications.
- Remove the cartridge case from the die and inspect it for any signs of damage or improper sizing.

## Disposal Instructions

- Dispose of any damaged or wornout dies according to local regulations.
- Do not dispose of the die in regular household waste; check for recycling options or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For any inquiries regarding the safety or operation of the Stainless Neck Sizing Dies L.E. Wilson 223 Ackley Improved Bushing Neck Die, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using this product. Enjoy your reloading experience!
