

STAINLESS NECK SIZING DIES - L.E. WILSON 300 WINCHESTER MAGNUM BUSHING NECK SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. ****NECK DIE BASE SOLD SEPARATELY**** The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

Safety Instruction Guide for Stainless Neck Sizing Dies L.E. Wilson 300 Winchester Magnum Bushing Neck Sizing Die

Introduction

Thank you for choosing the Stainless Neck Sizing Dies L.E. Wilson 300 Winchester Magnum Bushing Neck Sizing Die. This guide provides essential safety instructions to ensure the safe use of this product. Please read and understand all instructions before use to minimize risks and enhance your safety.

General Safety Guidelines

- Ensure the die is used only for its intended purpose.
- Always wear appropriate safety equipment, such as safety glasses, when using this product.
- Keep the die out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage before use.
- Do not use the die if it appears damaged or malfunctioning.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:** Risk of injury from sharp edges or moving parts. Risk of improper sizing leading to ammunition malfunction.
- **Avoiding Hazards:** Handle the die with care to avoid cuts or injuries. Ensure the die is securely attached to the Arbor Press before use. Do not exceed the recommended sizing specifications.
- **Audience Specific Warnings:** This product is not intended for use by individuals under the age of 18. Ensure that inexperienced users are supervised by a knowledgeable individual.

Instructions for Installation and Usage

1. Installation:

- Select an appropriate Arbor Press for use with the neck sizing die.
- Securely attach the die to the Arbor Press following the manufacturer's instructions.
- Ensure the die is stable and properly aligned before proceeding.

2. Usage:

- Insert the cartridge case into the die.
- Use interchangeable sizing bushings to adjust the neck size as desired.
- Operate the Arbor Press slowly and steadily to size the neck of the cartridge case.
- Check the sizing frequently to ensure the desired neck size is achieved.
- After use, clean the die to maintain its performance and longevity.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the die is no longer usable or has reached the end of its life, dispose of it responsibly.
- Do not discard the die in regular household waste; check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Stainless Neck Sizing Dies L.E. Wilson 300 Winchester Magnum Bushing Neck Sizing Die, please contact the appropriate EUbased customer service or support line.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Stainless Neck Sizing Dies L.E. Wilson 300 Winchester Magnum Bushing Neck Sizing Die. Always prioritize safety and take the necessary precautions to protect yourself and others while using this product. Thank you for your attention to these important guidelines.
