

# STAINLESS NECK SIZING DIES - L.E. WILSON 6.5X55MM SWEDE BUSHING NECK SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. **\*\*NECK DIE BASE SOLD SEPARATELY\*\***  
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

# Safety Instruction Guide for L.E. Wilson 6.5x55mm Swede Bushing Neck Sizing Die

## Introduction

Thank you for purchasing the L.E. Wilson 6.5x55mm Swede Bushing Neck Sizing Die. This product is designed to help you control the neck sizing of your cartridge cases. It is important to use this product safely and correctly to ensure your safety and the longevity of your equipment. Please read this safety instruction guide carefully before use.

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure the workspace is clean and organized to prevent accidents.
- Keep this product out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the die and cartridge cases.
- Regularly inspect the die for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Risk of Injury:** The die is used with an Arbor Press. Ensure that your hands are clear of the press area during operation to avoid pinching or crushing injuries.
- **Hazardous Materials:** Handle brass cartridge cases with care, as they may have sharp edges. Dispose of any damaged cases properly.
- **Environmental Considerations:** Avoid using the die in wet or humid conditions to prevent rusting and deterioration of the die.
- **Proper Handling:** Always handle the die and bushings with clean hands to avoid contamination and maintain functionality.
- **Age Restrictions:** This product is intended for use by adults. Ensure that it is not used by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including the Arbor Press and the appropriate bushing.
- Ensure that your workspace is welllit and free from distractions.

### 2. Installation:

- Secure the Arbor Press on a stable surface.
- Attach the sizing die to the Arbor Press according to the manufacturer's instructions.
- Select the appropriate sizing bushing and insert it into the die. Ensure it is fitted correctly.

### 3. Usage:

- Place the cartridge case into the die, ensuring it is properly positioned.
- Operate the Arbor Press slowly and steadily to size the neck of the cartridge case to the desired measurement (3/16" from the mouth end).
- After sizing, remove the cartridge case carefully from the die.
- Inspect the case for any damage or irregularities before use.

#### 4. PostUse Care:

- Clean the die and bushings after each use to remove any debris or residue.
- Store the die and bushings in a safe, dry place when not in use.

## Disposal Instructions

- Dispose of any damaged or unusable cartridge cases in accordance with local regulations.
- Recycling of brass cartridge cases is encouraged. Check with local recycling centers for proper disposal methods.
- Do not dispose of the die or bushings in regular household waste. Follow local guidelines for disposing of metal products.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the L.E. Wilson 6.5x55mm Swede Bushing Neck Sizing Die, please refer to the manufacturer's support resources. Ensure that you have your product details available when seeking assistance.

By following these safety instructions, you can ensure a safe and effective experience with your L.E. Wilson 6.5x55mm Swede Bushing Neck Sizing Die. Thank you for your attention to safety.
