

# WILSON STAINLESS NECK DIE PUNCHES - L.E. WILSON SS NECK DIE PUNCH ONLY 2.205"

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Some reloaders prefer using these handy tools instead of their reloading die and press for primer removing. Removes military crimped primers, or de-caps your cases separately for case cleaning or tumbling. Punches are caliber specific. Use the 30 caliber punch for all cartridges 30 caliber and up. Please order punch by caliber.

# WILSON STAINLESS NECK DIE PUNCHES Safety Instruction Guide

## Introduction

Thank you for choosing the WILSON STAINLESS NECK DIE PUNCHES. These tools are designed to assist reloaders in removing primers effectively and efficiently. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- Always use the product as intended, following the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of damage or wear. Do not use if any part is damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of injury from sharp edges or points.
- Risk of eye injury from debris during primer removal.

### • To Avoid Hazards:

- Always wear safety goggles when using the punch to protect your eyes from flying debris.
- Handle the punch with care, avoiding direct contact with sharp edges.
- Use the punch in a welllit and stable environment to prevent accidents.
- Ensure that your hands are dry and free from any substances that may cause slipping.

### • Age or AudienceSpecific Warnings:

- This product is not intended for use by individuals under the age of 18.
- Supervision is required when used by inexperienced individuals.

## Instructions for Installation and Usage

### • Installation:

1. Select the appropriate caliber punch for your cartridge (e.g., use the 30 caliber punch for all cartridges 30 caliber and up).
2. Ensure that the punch fits securely in your reloading setup.

### • Usage:

1. Place the case to be decapped in a stable position.
2. Align the punch over the primer pocket of the case.
3. Apply firm, even pressure to remove the primer.
4. Inspect the case and punch after use for any damage or debris.

### • PostUsage Care:

- Clean the punch after each use to remove any residue.
- Store the punch in a safe, dry place when not in use.

## **Disposal Instructions**

- Dispose of any damaged or wornout punches in accordance with local regulations.
- If the punch is no longer usable, consider recycling the metal components where possible.

## **Contact Information for Further Support**

For inquiries regarding safety or product information, please refer to your retailer or the manufacturer directly.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and effective reloading experience with the WILSON STAINLESS NECK DIE PUNCHES.
