

# **WILSON STAINLESS DECAPPING PUNCHES - L.E. WILSON DECAPPING PUNCH ONLY 25/270/6.5/7MM .250 DIAMETER**

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Some reloaders prefer using these handy tools instead of their reloading die and press for primer removing. Removes military crimped primers, or de-caps your cases separately for case cleaning or tumbling. See below for cartridge family. Punches are caliber specific. Use the 30 caliber punch for all cartridges 30 caliber and up.

## **Attributes**

# WILSON STAINLESS DECAPPING PUNCHES Safety Instruction Guide

## Introduction

Thank you for choosing the WILSON STAINLESS DECAPPING PUNCHES. These tools are designed to assist reloaders in removing primers from cartridge cases efficiently. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment, such as safety glasses and gloves, when using the decapping punches.
- Keep the workspace clean and organized to prevent accidents.
- Store the decapping punches in a safe place, out of reach of children and pets.
- Regularly inspect the punches for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the handling and use of reloading equipment.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Potential for injury from sharp edges or points.
- Risk of damage to cases if improper technique is used.

### • Avoiding Hazards:

- Always handle the punches with care to avoid cuts or punctures.
- Ensure that the punch is properly aligned with the cartridge case before striking.
- Use a stable surface to work on, and avoid using excessive force.

### • Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the decapping punch, cartridge case, and a suitable hammer.
- Ensure you are in a wellventilated area and have adequate lighting.

### 2. Using the Decapping Punch:

- Select the appropriate caliber punch for your cartridge case.
- Place the cartridge case on a stable surface.
- Align the decapping punch with the primer pocket of the cartridge case.
- Gently tap the punch with a hammer until the primer is removed.
- Inspect the cartridge case for any damage after decapping.

### 3. PostUse Care:

- Clean the decapping punches after use to prevent residue buildup.
- Store the punches in a protective case or designated area to avoid damage.

## Disposal Instructions

- Dispose of any used primers and cartridge cases in accordance with local regulations.
- Do not dispose of the decapping punches in regular household waste. Check with local waste management for proper disposal methods.

## Contact Information for Further Support

For any inquiries or further assistance regarding the WILSON STAINLESS DECAPPING PUNCHES, please refer to the manufacturer's contact details provided with your product packaging.

By following these guidelines, you can ensure a safe and effective reloading experience with the WILSON STAINLESS DECAPPING PUNCHES. Thank you for your attention to safety.
