

# LRX® 6.5MM (.264") POLYMER TIP BOAT TAIL RIFLE BULLETS - BARNES BULLETS LRX 6.5MM (0.264") POLYMER TIP BOAT TAIL 127GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Long-range hunting just got easier with the Long-Range X Bullet® (LRX) line. No lead, just 100% copper bullets designed after the Tipped Triple Shock™ X Bullet®. Features larger ogive and boat tail lengths to increase the B.C. values for improved long-range ballistic performance. The polymer tip starts the bullet expansion, opening the nose cavity instantly on contact, which doubles the bullet's original diameter. Four cutting petals guarantee extensive internal damage for a clean, quick kill.

## Attributes

- Name: [BARNES BULLETS LRX 6.5MM \(0.264"\) POLYMER TIP BOAT TAIL 127GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749065002

# **LRX® 6.5MM POLYMER TIP BOAT TAIL RIFLE BULLETS Safety Instruction Guide**

## **Introduction**

Thank you for choosing the LRX® 6.5MM (.264") Polymer Tip Boat Tail Rifle Bullets by Barnes Bullets. This guide provides essential safety instructions to ensure the safe use of this product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## **General Safety Guidelines**

- Ensure that the product is used only by individuals who are knowledgeable about firearms and ammunition.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Regularly check for any signs of damage or defects in the ammunition before use.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## **Specific Safety Precautions for Use**

- Always handle ammunition with care and avoid dropping it.
- Do not use ammunition that appears damaged, corroded, or has been exposed to water.
- Ensure that your firearm is compatible with 6.5MM ammunition before use.
- Always follow the firearm manufacturer's instructions for loading and unloading ammunition.
- Avoid using ammunition that has been stored in extreme temperatures or conditions.
- Do not modify or alter the ammunition in any way.

## **Instructions for Installation and Usage**

- Before loading the ammunition, ensure that your firearm is pointed in a safe direction and that the safety mechanism is engaged.
- Load the ammunition into the magazine according to the firearm manufacturer's guidelines.
- Once loaded, disengage the safety mechanism only when ready to fire.
- When firing, maintain a firm grip on the firearm and keep your finger off the trigger until you are ready to shoot.
- After use, unload the firearm in a safe and controlled manner, ensuring that no ammunition remains in the chamber or magazine.
- Clean your firearm regularly to maintain optimal performance and safety.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Instead, contact local authorities or hazardous waste disposal facilities for proper disposal methods.
- Store any unwanted ammunition securely until it can be disposed of properly.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the LRX® 6.5MM Polymer Tip Boat Tail Rifle Bullets, please refer to the appropriate local authorities or safety organizations.

## Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your LRX® 6.5MM Polymer Tip Boat Tail Rifle Bullets. Always prioritize safety and stay informed about best practices for ammunition use. Thank you for your attention to these important guidelines.
