

TIPPED TSX® 35 CAL (.358") POLYMER TIP FLAT BASE RIFLE BULLETS - BARNES BULLETS TIPPED TSX 35 CAL (0.358") FLAT BASE 180GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

With all of the benefits of the TSX, these bullets have a polymer tip that boosts B.C. and initiates expansion. The re-engineered nose cavity provides faster expansion and devastating terminal performance. Barnes' TSX Bullet offers all the deadly effectiveness of the time-proven X Bullet. Features include all-copper construction, no fragmentation, rapid expansion, 28% deeper penetration than lead-core bullets, and maximum weight retention. The TSX has proven to be one of the most accurate hunting bullets available—a fact countless shooters have confirmed. An exclusive feature of the TSX Bullet is multiple, precisely engineered rings cut into the bullet shank. These grooved rings act as relief valves as bullet metal flows under pressure while traveling down the bore. Instead of flowing from the front to the base of the bullet, the copper material expands into the grooves. This results in reduced pressures and less copper fouling. Reduced pressures mean the bullet can be safely loaded to higher velocities. The rings also alter barrel harmonics, greatly improving accuracy. Polymer Tip Boat Tail

Attributes

- Name: [BARNES BULLETS TIPPED TSX 35 CAL \(0.358"\) FLAT BASE 180GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749065010
- Mfr. No.: 30459
- Ballistic Coefficient (G1): 0.295
- Brand Style: Tipped Triple Shock X
- Bullet Style: Flat Base (FB)
- Caliber: 35 Caliber
- Diameter (in): 0.358
- Grain: 180
- Sectional Density: 0.201
- Quantity: 50
- Delivery weight: 0.635kg
- Shipping height: 57mm
- Shipping width: 51mm
- Shipping length: 89mm
- UPC: 716876358304

Safety Instruction Guide for TIPPED TSX® 35 CAL (.358") POLYMER TIP FLAT BASE RIFLE BULLETS

Introduction

Thank you for choosing the TIPPED TSX® 35 CAL (.358") Polymer Tip Flat Base Rifle Bullets by Barnes Bullets. This guide provides essential safety information and instructions for the proper use and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read and follow these instructions carefully to ensure safe handling and performance.

General Safety Guidelines

- **Product Safety:** Always ensure that you are using the product in a safe manner. Follow all local laws and regulations regarding the use of ammunition.
- **Enhanced Recalls:** Stay informed about any potential recalls. If you receive a notification regarding a recall, follow the instructions provided to ensure your safety.
- **Online Shopping:** If purchased online, ensure the retailer complies with safety requirements. Verify that the product is genuine and has not been tampered with.
- **Special Consumer Focus:** This product is intended for adult use only. Keep out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products and recalls.

Specific Safety Precautions for Use

- **Handling:**
 - Always handle bullets with care. Keep fingers away from the bullet tip and base.
 - Do not expose bullets to extreme heat or direct sunlight, as this may affect performance.
- **Storage:**
 - Store bullets in a cool, dry place away from flammable materials.
 - Keep bullets in their original packaging until ready for use to prevent damage.
- **Usage:**
 - Only use the bullets in firearms that are specifically designed for .358 caliber ammunition.
 - Ensure the firearm is in good working condition before use. Regularly inspect for any signs of wear or damage.
- **Safety Gear:**
 - Always wear eye and ear protection when handling or firing ammunition.
 - Consider wearing gloves to minimize direct contact with the bullets.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that the firearm is unloaded before installing bullets.
 - Follow the manufacturer's instructions for loading the bullets into the firearm.

- Check that the bullets are seated properly and securely in the chamber.
- **Usage:**
 - Always point the firearm in a safe direction when loading, unloading, or firing.
 - Be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.
 - Follow all local laws and regulations regarding the use of firearms and ammunition.
 - Use appropriate shooting techniques and ensure you are familiar with the operation of your firearm.

Disposal Instructions

- **Disposal of Unused Bullets:**
 - Do not discard bullets in regular household waste. Contact your local waste disposal authority for instructions on how to properly dispose of ammunition.
 - If you have damaged or defective bullets, follow the same disposal guidelines.
- **Environmental Considerations:**
 - Avoid disposing of bullets in water sources or environmentally sensitive areas.
 - Always follow local regulations regarding hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the TIPPED TSX® 35 CAL (.358") Polymer Tip Flat Base Rifle Bullets, please refer to the contact information provided by your retailer or the manufacturer.

By following these guidelines, you can ensure a safe and effective experience with your TIPPED TSX® bullets. Thank you for your attention to safety.
