

# BARNES EXPANDER MZ BULLETS - BARNES BULLETS EXPANDER MZ 50 CAL (0.451 ) HPFB SABOT 250GR 24/BOX

[Reloading](#) > [Muzzleloading Components](#) > [Bullets](#)

This muzzleloader version of the X-Bullet is 100 percent copper with a large, hollow cavity for quick, sure expansion. Barnes' Expander MZ™ Muzzleloader Bullets produce more consistent shot-to-shot velocities and better accuracy than competing bullets deliver. The result? Greater shooter confidence and more one-shot kills. Expander MZ bullets deliver deadly performance at both high and low velocities. Expand to twice their original diameter, creating six razor-sharp copper petals that slice through game. No fragmentation-these tough, deep-driving bullets typically retain 100 percent of their original weight. 100% Copper Exceptional Accuracy Full Weight Retention Razor-Sharp Cutting Edges Double-Diameter Expansion Deep Penetration Effective at High and Low Velocities No Fragmentation Recommended for In-Line Rifles

# Safety Instruction Guide for BARNES EXPANDER MZ BULLETS

## Introduction

Thank you for choosing BARNES EXPANDER MZ BULLETS. This guide provides essential safety instructions to ensure the safe use of this product. Please read through the entire document carefully to understand how to handle and use these bullets safely.

## General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Always wear appropriate eye and ear protection when using firearms.
- Do not use damaged or corroded bullets. Inspect them before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure your firearm is compatible with 50 Caliber (.500.501) ammunition before use.
- Use only inline rifles designed for muzzleloader bullets.
- Avoid using these bullets at ranges that exceed the manufacturer's recommendations.
- Do not attempt to modify or disassemble the bullets.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always follow the manufacturer's instructions regarding loading and firing.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is clear.
- Insert the BARNES EXPANDER MZ BULLET into the muzzleloader as per the firearm's loading instructions.
- Ensure the bullet is seated firmly and correctly in the barrel.

### 2. Firing the Bullets:

- Always aim at a safe target.
- Make sure the firing area is clear of obstructions and people.
- Follow the specific firing procedures outlined in your firearm's manual.
- Fire the bullet only when you are confident of a safe shot.

### 3. PostFiring:

- After firing, check the firearm for any malfunctions or residue.
- Clean the firearm according to the manufacturer's recommendations.
- Store any unused bullets in their original packaging in a secure location.

## **Disposal Instructions**

- Dispose of used or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash.
- Contact local waste management authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety of BARNES EXPANDER MZ BULLETS, please reach out to the appropriate authorities or consult the manufacturer's customer service.

Remember, safety is paramount when handling ammunition. Always prioritize safe practices and stay informed. Thank you for your attention to these safety guidelines.
