

BARNES EXPANDER MZ BULLETS - BARNES BULLETS EXPANDER MZ 54 CAL (0.500) HPFB SABOT 275GR 24/BOX

[Reloading](#) > [Muzzleloading Components](#) > [Bullets](#)

This muzzleloader version of the X-Bullet is 100 percent copper with a large, hollow cavity for quick, sure expansion. Barnes' Expander MZ™ Muzzleloader Bullets produce more consistent shot-to-shot velocities and better accuracy than competing bullets deliver. The result? Greater shooter confidence and more one-shot kills. Expander MZ bullets deliver deadly performance at both high and low velocities. Expand to twice their original diameter, creating six razor-sharp copper petals that slice through game. No fragmentation-these tough, deep-driving bullets typically retain 100 percent of their original weight. 100% Copper Exceptional Accuracy Full Weight Retention Razor-Sharp Cutting Edges Double-Diameter Expansion Deep Penetration Effective at High and Low Velocities No Fragmentation Recommended for In-Line Rifles

Safety Instruction Guide for BARNES EXPANDER MZ BULLETS

Introduction

Thank you for choosing BARNES EXPANDER MZ BULLETS. This guide provides essential safety instructions to ensure the safe use of this product. Please read the entire guide carefully before using the bullets to understand the safety measures and proper handling procedures.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding the use of ammunition in your area.
- Always treat all firearms and ammunition as if they are loaded.
- Store ammunition in a cool, dry place, away from children and unauthorized users.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Follow all manufacturer's instructions for your firearm to ensure compatibility with BARNES EXPANDER MZ BULLETS.

Specific Safety Precautions for Use

- Use only in firearms specifically designed for muzzleloader ammunition.
- Do not exceed the recommended load specifications for your firearm.
- Wear appropriate eye and ear protection while shooting.
- Ensure that the shooting area is clear of people and obstacles.
- Avoid using the bullets in wet or damp conditions, as moisture can affect performance.
- Be aware of your surroundings and ensure a safe backstop is in place before firing.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded before handling the bullets.
- Gather all necessary equipment, including your muzzleloader, powder, and tools for loading.

2. Loading the Bullets:

- Measure the appropriate amount of black powder as per your firearm's specifications.
- Place the powder into the muzzleloader.
- Insert the BARNES EXPANDER MZ BULLET into the muzzle with the hollow point facing forward.
- Use a loading tool to push the bullet down firmly into the powder charge.

3. Firing:

- Ensure that the firearm is pointed in a safe direction.
- Check that the firing mechanism is functioning properly.
- Fire the muzzleloader according to the manufacturer's instructions.

4. PostFiring:

- After firing, ensure the firearm is cleared and cleaned according to the manufacturer's recommendations.
- Dispose of used cartridges and any other waste materials responsibly.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local authorities for proper disposal methods.
- Store any hazardous materials in a safe location until they can be disposed of properly.

Contact Information for Further Support

For any safety inquiries or concerns related to BARNES EXPANDER MZ BULLETS, please refer to the manufacturer's website or customer service for assistance.

This safety instruction guide complies with the EU General Product Safety Regulation (GPSR) and aims to provide you with the necessary information to use BARNES EXPANDER MZ BULLETS safely and effectively. Thank you for choosing our product, and we wish you a safe shooting experience.
