

BARNES SPIT-FIRE T-EZ BULLETS - BARNES BULLETS SPIT-FIRE T-E 50 CAL (0.510") FB 250GR 15/BOX

[Reloading](#) > [Muzzleloading Components](#) > [Bullets](#)

Barnes' Spit-Fire T-EZ muzzleloader bullets load easier, even in tight bores. A sabot reduces the ramrod pressure required to load and seat these .50-caliber, flat-base bullets. T-EZ bullets deliver the same match-grade accuracy all Barnes' MZ bullets are famous for. The 100% copper bullets feature a polymer tip that enhances expansion and boosts BC for superior long-range ballistics. They expand at both close and extended range, creating six razor-edge cutting petals that maximize shock and penetration.

Attributes

- Name: [BARNES BULLETS SPIT-FIRE T-E 50 CAL \(0.510"\) FB 250GR 15/BOX](#)

Safety Instruction Guide for BARNES SPITFIRE TEZ BULLETS

Introduction

Thank you for choosing the BARNES SPITFIRE TEZ BULLETS. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read the entire document carefully before using the bullets.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of muzzleloader bullets.
- Always handle firearms and ammunition responsibly and with care.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Inspect bullets for any visible damage before use. Do not use damaged bullets.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling or using bullets.
- Follow the firearm manufacturer's guidelines for loading and firing.
- Use only in firearms specifically designed for .50 caliber bullets.
- Do not exceed the manufacturer's recommended load specifications.
- Ensure the firearm is pointed in a safe direction at all times when loading and firing.
- Avoid using bullets in wet or damp conditions to prevent misfires or reduced performance.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm to ensure it is unloaded.
- Insert the sabot and bullet into the muzzle, ensuring proper alignment.
- Use a ramrod to gently seat the bullet without excessive force. The TEZ design allows for easier loading.
- Close the action of the firearm and ensure it is in a ready-to-fire condition.

2. Firing the Bullets:

- Always check that the firearm is in good working order.
- Ensure that the firing area is clear of people and obstacles.
- Follow standard firing procedures as outlined by the firearm manufacturer.
- After firing, inspect the firearm and bullets for any signs of malfunction or damage.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations for hazardous materials.
- Do not throw bullets in regular household waste.
- Contact local authorities for proper disposal methods in your area.

Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please contact your local retailer or the manufacturer directly. They can provide you with the necessary information and support.

This safety instruction guide is designed to help you use BARNES SPITFIRE TEZ BULLETS safely and effectively. By following these guidelines, you contribute to a safer environment for yourself and others. Thank you for your attention to safety.
