

# **BARNES SPIT-FIRE T-EZ BULLETS - BARNES BULLETS SPIT-FIRE T-EZ 50 CAL (0.510") FB 290GR 15/BOX**

[Reloading](#) > [Muzzleloading Components](#) > [Bullets](#)

Barnes' Spit-Fire T-EZ muzzleloader bullets load easier, even in tight bores. A sabot reduces the ramrod pressure required to load and seat these .50-caliber, flat-base bullets. T-EZ bullets deliver the same match-grade accuracy all Barnes' MZ bullets are famous for. The 100% copper bullets feature a polymer tip that enhances expansion and boosts BC for superior long-range ballistics. They expand at both close and extended range, creating six razor-edge cutting petals that maximize shock and penetration.

## **Attributes**

- Name: [BARNES BULLETS SPIT-FIRE T-EZ 50 CAL \(0.510"\) FB 290GR 15/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749065028
- Mfr. No.: 30592
- Caliber: 50 Caliber (.500-.501)
- Grain: 290
- Quantity: 15
- Delivery weight: 0.363kg
- Shipping height: 14mm
- Shipping width: 118mm
- Shipping length: 190mm
- UPC: 716876451746

# Safety Instruction Guide for BARNES SPITFIRE TEZ BULLETS

## Introduction

Thank you for choosing BARNES SPITFIRE TEZ Bullets. This guide provides essential safety instructions and information to ensure safe handling, usage, and disposal of the product. It is important to follow these guidelines to minimize risks and ensure compliance with EU safety regulations.

## General Safety Guidelines

- Ensure that the product is used only by individuals who are trained and experienced in handling firearms and ammunition.
- Always treat all ammunition as if it is live and capable of firing.
- Store the bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep the bullets out of reach of children and unauthorized persons.
- Regularly check for product recalls or safety alerts on the EU Safety Gate platform.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Do not exceed the recommended load limits for your specific firearm.
- Ensure that the muzzleloader is pointed in a safe direction at all times.
- Do not attempt to modify or alter the bullets in any way.
- Avoid using the bullets if there are signs of damage or corrosion.
- Follow all local laws and regulations regarding the use of ammunition and firearms.

## Instructions for Installation and Usage

### 1. Loading the Bullets

- Ensure the firearm is unloaded before attempting to load the bullets.
- Use a suitable ramrod to load the bullet into the muzzleloader. The sabot design allows for easier loading, even in tight bores.
- Apply consistent pressure to seat the bullet firmly in the chamber.

### 2. Firing the Bullets

- Confirm that the area is clear of any obstacles or individuals before firing.
- Follow the manufacturer's instructions for your specific muzzleloader regarding ignition methods and safety checks.
- After firing, check the firearm for any signs of malfunction or obstruction before reloading.

### 3. PostUse Care

- Clean the muzzleloader and remove any residue after use to maintain optimal performance.
- Store the bullets and firearm securely after use to prevent unauthorized access.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste. Instead, contact local waste management

- authorities for proper disposal methods.
- Ensure that all spent cartridges are disposed of safely and responsibly.

## Contact Information for Further Support

For additional information or support regarding the BARNES SPITFIRE TEZ Bullets, please refer to the manufacturer's website or contact their customer service department directly.

By following this safety instruction guide, you can ensure a safe and enjoyable experience with BARNES SPITFIRE TEZ Bullets. Always prioritize safety and responsible usage.
