

BARNES SPIT-FIRE T-EZ BULLETS - BARNES BULLETS SPIT-FIRE T-EZ 50 CAL (0.510") FB 290GR 24/BOX

[Reloading](#) > [Muzzleloading Components](#) > [Bullets](#)

Barnes' Spit-Fire T-EZ muzzleloader bullets load easier, even in tight bores. A sabot reduces the ramrod pressure required to load and seat these .50-caliber, flat-base bullets. T-EZ bullets deliver the same match-grade accuracy all Barnes' MZ bullets are famous for. The 100% copper bullets feature a polymer tip that enhances expansion and boosts BC for superior long-range ballistics. They expand at both close and extended range, creating six razor-edge cutting petals that maximize shock and penetration.

Attributes

- Name: [BARNES BULLETS SPIT-FIRE T-EZ 50 CAL \(0.510"\) FB 290GR 24/BOX](#)
- Manufacturer: [BARNES BULLETS](#)

Safety Instruction Guide for BARNES SPITFIRE TEZ BULLETS

Introduction

Thank you for choosing the BARNES SPITFIRE TEZ Bullets. This guide provides essential safety instructions to ensure the safe use and handling of these products. Please read this guide carefully before using the bullets.

General Safety Guidelines

- Ensure that you are familiar with the legal requirements for using ammunition in your country.
- Always handle bullets with care and follow standard safety practices.
- Keep bullets out of reach of children and unauthorized users.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Regularly check for any signs of damage to the packaging or the bullets themselves.
- Report any unsafe products or accidents to the relevant authorities.
- Be aware that these bullets are designed for use in muzzleloaders only.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when loading and firing.
- Ensure that your firearm is compatible with .50 caliber bullets before use.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or deformed bullets, as this may lead to unsafe firing conditions.
- Be aware of your surroundings and ensure that you are in a safe environment when shooting.
- Do not attempt to modify or alter the bullets in any way.
- Follow all local regulations regarding the use and transportation of ammunition.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure that the firearm is pointed in a safe direction.
- Use a clean ramrod to load the bullet into the muzzleloader.
- Apply consistent pressure when seating the bullet to avoid damaging it.
- Ensure the sabot is properly aligned with the bullet before loading.

2. Firing the Bullets:

- Always check that the firearm is in good working condition before firing.
- Follow the manufacturer's instructions for your specific firearm regarding loading and firing.
- Keep your finger off the trigger until you are ready to shoot.
- Always be aware of your target and what is beyond it.

3. PostFiring:

- After firing, ensure the firearm is safely unloaded and secured.
- Clean the firearm according to the manufacturer's recommendations to maintain its performance and safety.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Consult local authorities or waste management services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BARNES SPITFIRE TEZ Bullets, please reach out to your local retailer or the manufacturer.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your BARNES SPITFIRE TEZ Bullets. Thank you for your attention to safety.
