

EDGEWOOD DEAD BOTTOM - EDGEWOOD SHOOTING BAGS

EDGEWOOD DEAD BOTTOM FOR THE ORIGINAL REAR BAG

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

The Edgewood Dead Bottom works to stabilize the rear bag and provide a "dead" bottom stable bag set up. This also enables the shooter to achieve an additional $\frac{3}{4}$ " to $\frac{7}{8}$ " rear bag height. Each Dead Bottom Bag is manufactured from soft suede leather. Dead Bottom Bags do not come filled.

Edgewood Dead Bottom Shooting Bags Safety Instruction Guide

Introduction

Thank you for choosing the Edgewood Dead Bottom Shooting Bags. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your shooting bag. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the shooting bag is used only for its intended purpose, which is to stabilize the rear of the firearm during shooting.
- Always check the bag for any signs of damage or wear before each use. Do not use if the bag is damaged.
- Keep the shooting bag out of reach of children and vulnerable individuals when not in use.
- Store the shooting bag in a cool, dry place to prevent deterioration of the material.
- If you notice any unusual odors or discoloration, discontinue use and consult a professional.

Specific Safety Precautions for Use

- The Edgewood Dead Bottom Shooting Bags are designed to provide stability. Ensure that the bag is placed on a flat, stable surface before use.
- Avoid overfilling the bag, as it is designed to remain unfilled. Overfilling may compromise stability and safety.
- When adjusting the height of the bag, do so with care to avoid sudden movements that could lead to loss of control of the firearm.
- Always maintain proper firearm handling practices, including keeping the firearm pointed in a safe direction.
- Be aware of your surroundings and ensure that no one is within the line of fire when using the shooting bag.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the shooting area is safe and that you have a proper shooting bench or platform.
- Remove any obstructions from the shooting area.

2. Setting Up the Bag:

- Place the Edgewood Dead Bottom Shooting Bag on the shooting bench or platform.
- Adjust the bag to achieve the desired height ($\frac{3}{4}$ " to $\frac{7}{8}$ ") for your shooting position.

3. Using the Bag:

- Rest the rear of the firearm on the bag, ensuring it is stable and secure.
- Make any necessary adjustments to the position of the bag to maintain stability.

4. End of Use:

- After use, carefully remove the firearm from the bag.
- Store the shooting bag in a designated area to prevent damage.

Disposal Instructions

- When disposing of the Edgewood Dead Bottom Shooting Bag, ensure that it is done in accordance with local waste management regulations.
- If the bag is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the bag in a manner that could pose a hazard to the environment or public safety.

Contact Information for Further Support

For any inquiries or concerns regarding the Edgewood Dead Bottom Shooting Bags, please reach out to the designated EU contact point for safety inquiries. Ensure that you have the product details ready for reference.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the Edgewood Dead Bottom Shooting Bags.
