

# SINCLAIR SHOOTING REST ACCESSORIES - SINCLAIR INTERNATIONAL DELUXE SHOOTING REST THREADED POST 1-14"

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

Sinclair Competition Rest Post, 1" Do you ever go to the range with more than one rifle? To avoid adjusting your shooting rest top to accommodate different sized rifle forends, shooters often purchase an additional shooting rest top, post, and handwheel, allowing a quick-change without any adjustment or assembly. Shoot your wide forend varmint gun and then switch tops to sight in your favorite lightweight hunting rifle. Post is 1-14" threaded stainless steel for use with the Sinclair Competition Rest series only. The handwheel is aluminum with black anodized finish with a stainless steel threaded insert designed for a gall-free lifetime of use. Handwheel utilizes 1-14" threads and is designed for use with the Sinclair Competition Rest series only. Sinclair Competition Forend Stop Upgrade your existing Sinclair Rest top with our Sinclair Competition Forend Stop. The Sinclair Competition Forend Stop is fully adjustable for length (fore and aft), height, and cant. It works with current production Generation II rest tops (Benchrest and All-Purpose). Made with stainless steel fasteners and a Delron stop knob, it's built for a lifetime of use.

# Sinclair Shooting Rest Accessories Safety Instructions

## Introduction

Thank you for choosing the Sinclair Shooting Rest Accessories. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always use the Sinclair Shooting Rest Accessories in accordance with the manufacturer's instructions.
- Ensure that the shooting area is clear of obstructions and bystanders before use.
- Inspect the product before each use for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the shooting rest is securely assembled before use.
- Do not exceed the weight limit of the shooting rest as specified by the manufacturer.
- Always use the handwheel to secure the shooting rest post and avoid using excessive force.
- Avoid placing your hands or body in front of the shooting rest when loading or unloading firearms.
- Use the Sinclair Competition Forend Stop only with current production Generation II rest tops.
- Always wear appropriate safety gear, including eye and ear protection, while shooting.

## Instructions for Installation and Usage

### 1. Assembly of the Shooting Rest

- Ensure all parts are present before beginning assembly.
- Attach the shooting rest post to the base securely using the handwheel.
- Confirm that the post is tightened to prevent any movement during use.

### 2. Adjusting the Forend Stop

- Loosen the Delron stop knob to adjust the length, height, and cant of the forend stop.
- Once the desired position is achieved, tighten the stop knob securely.
- Ensure the forend stop is locked in place before using the shooting rest.

### 3. Using the Shooting Rest

- Place your rifle on the shooting rest and ensure it is stable.
- Adjust the shooting rest as necessary to align your rifle with the target.
- Always doublecheck that all adjustments are secure before taking a shot.

### 4. PostShooting Procedures

- After shooting, remove the rifle from the shooting rest.
- Store the shooting rest and accessories in a dry, safe location.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Sinclair Shooting Rest Accessories, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience. Thank you for your attention to safety and for choosing Sinclair Shooting Rest Accessories.
