

# SINCLAIR SHOOTING REST ACCESSORIES - SINCLAIR INTERNATIONAL DELUXE SHOOTING REST FOREND STOP

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

Sinclair Competition Rest Post, 1" Do you ever go to the range with more than one rifle? To avoid adjusting your shooting rest top to accommodate different sized rifle forends, shooters often purchase an additional shooting rest top, post, and handwheel, allowing a quick-change without any adjustment or assembly. Shoot your wide forend varmint gun and then switch tops to sight in your favorite lightweight hunting rifle. Post is 1-14" threaded stainless steel for use with the Sinclair Competition Rest series only. The handwheel is aluminum with black anodized finish with a stainless steel threaded insert designed for a gall-free lifetime of use. Handwheel utilizes 1-14" threads and is designed for use with the Sinclair Competition Rest series only. Sinclair Competition Forend Stop Upgrade your existing Sinclair Rest top with our Sinclair Competition Forend Stop. The Sinclair Competition Forend Stop is fully adjustable for length (fore and aft), height, and cant. It works with current production Generation II rest tops (Benchrest and All-Purpose). Made with stainless steel fasteners and a Delron stop knob, it's built for a lifetime of use.

# Sinclair Shooting Rest Accessories Safety Instructions

## Introduction

Thank you for choosing the Sinclair International Deluxe Shooting Rest Forend Stop. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your shooting rest accessories. Please read this document carefully before using the product.

## General Safety Guidelines

- Always ensure that the shooting rest is set up on a stable and level surface before use.
- Do not exceed the weight limit specified for the shooting rest to prevent tipping or damage.
- Keep the shooting rest away from children and unauthorized users.
- Check for any visible damage or wear on the product before each use. Do not use if damaged.
- Always follow local laws and regulations regarding shooting and firearm safety.

## Specific Safety Precautions for Use

- Ensure that the handwheel is securely tightened before use to prevent accidental loosening during shooting.
- Do not use the shooting rest with firearms that exceed the recommended specifications.
- Avoid placing fingers or hands near moving parts during adjustments to prevent injury.
- Always point the firearm in a safe direction when adjusting or using the shooting rest.
- Store the shooting rest in a dry and secure location when not in use to prevent rust and damage.

## Instructions for Installation and Usage

### 1. Installation of the Forend Stop:

- Remove the existing top from your Sinclair Competition Rest.
- Align the Sinclair Competition Forend Stop with the mounting holes on the rest top.
- Secure the Forend Stop using the provided stainless steel fasteners. Ensure all screws are tight.

### 2. Adjusting the Forend Stop:

- To adjust the length, loosen the Delron stop knob and move the Forend Stop to the desired position. Retighten the knob securely.
- For height adjustment, use the height adjustment feature to raise or lower the Forend Stop as needed.
- To adjust cant, loosen the appropriate adjustment mechanism and set to the desired angle before tightening.

### 3. Using the Shooting Rest:

- Place your firearm securely on the rest top, ensuring it is stable.
- Adjust the handwheel to secure the firearm in place. Ensure it is firmly tightened.
- When finished, carefully remove the firearm from the rest, ensuring it is pointed in a safe direction.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- For the product itself, if it is no longer usable, check with local waste management services for proper disposal.

disposal methods. Do not dispose of in regular household waste.

## **Contact Information for Further Support**
