Safety Instruction Guide for Sinclair Priming Tool Shell Holders

Introduction

Thank you for choosing the Sinclair Priming Tool Shell Holders. This guide provides important safety information to ensure the safe use of your product. Please read this guide thoroughly before using the shell holders to understand how to use them properly and safely.

General Safety Guidelines

- Always handle the shell holders with care to prevent injury.
- Ensure that the Sinclair Priming Tool is turned off and disconnected from any power source before installing or removing shell holders.
- Keep the shell holders out of reach of children and pets.
- Regularly inspect the shell holders for any signs of wear or damage before use.
- If you notice any defects or irregularities, do not use the shell holders and contact customer support for assistance.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Use only the recommended cartridges listed for each shell holder to avoid malfunctions.
- Do not attempt to modify or alter the shell holders in any way.
- Always wear appropriate eye protection when using the Sinclair Priming Tool and shell holders.
- Ensure that your work area is clean and free of obstructions to prevent accidents.
- Do not overload the Sinclair Priming Tool beyond its specified capacity.
- Be aware of the potential risks associated with handling ammunition and reloading components.

Instructions for Installation and Usage

1. Installation of Shell Holders

- Ensure that the Sinclair Priming Tool is turned off and unplugged.
- Select the appropriate shell holder for the cartridge you will be using.
- Align the shell holder with the tool's mounting area.
- Firmly press the shell holder into place until you hear a click, indicating it is securely attached.

2. Using the Sinclair Priming Tool with Shell Holders

- Insert the cartridge into the shell holder.
- Follow the manufacturer's instructions for operating the Sinclair Priming Tool.
- Always keep your hands clear of moving parts during operation.
- After use, remove the shell holder and clean it as needed.

3. Storage

- Store the shell holders in a dry and secure location.
- Avoid exposing the shell holders to extreme temperatures or humidity.

Disposal Instructions

- Dispose of the shell holders according to local regulations for metal recycling.
- If the shell holders are damaged beyond use, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions, concerns, or to report unsafe products, please reach out to the designated customer support channels provided by the manufacturer.

Thank you for your attention to these safety guidelines. Your safety is our priority.
