Sinclair Priming Tool Shell Holders Safety Instruction Guide

Introduction

Thank you for choosing the Sinclair Priming Tool Shell Holders. These shell holders are designed for use with your Sinclair Priming Tool, providing precision and reliability. This guide outlines important safety information to ensure safe handling and usage of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the Sinclair Priming Tool Shell Holder is compatible with your Sinclair Priming Tool.
- Keep the shell holders out of reach of children and vulnerable individuals.
- Inspect the shell holders for any signs of damage or wear before each use.
- Do not use damaged or worn shell holders. Contact the manufacturer for replacements.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Use only the specified cartridge types with the Sinclair Priming Tool Shell Holders:
 - 300 Winchester Magnum
 - 300 Remington Ultra Magnum
 - WSM Family
 - 30 Nosler
 - WSSM Family
 - SAUM Family
 - Weatherby Family
- Always wear appropriate safety gear, including eye protection, when using the priming tool.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Do not attempt to modify the shell holder or any associated equipment.
- Follow all local laws and regulations regarding the handling and storage of ammunition.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Sinclair Priming Tool is turned off and unplugged (if applicable).
- Select the appropriate Sinclair Priming Tool Shell Holder for your cartridge type.
- Align the shell holder with the tool and insert it according to the manufacturer's instructions.
- Secure the shell holder in place, ensuring it is properly fitted.

2. Usage:

- Load the cartridge into the shell holder as per the Sinclair Priming Tool instructions.
- Follow the priming process as outlined in the Sinclair Priming Tool manual.
- After use, remove the shell holder carefully and inspect it for any damage.
- Store the shell holder in a safe place, away from children and pets.

Disposal Instructions

- Dispose of the shell holders responsibly in accordance with local waste disposal regulations.
- Do not dispose of shell holders in regular household waste if they are damaged or contain any hazardous materials.
- Contact local waste management authorities for guidance on proper disposal methods.
