Safety Instruction Guide for Sinclair Priming Tool Shell Holders

Introduction

Thank you for choosing the Sinclair Priming Tool Shell Holders. These shell holders are specifically designed for use with your Sinclair Priming Tool, ensuring precision and reliability. This guide provides important safety information and instructions to help you use the product safely and effectively.

General Safety Guidelines

- Ensure that the Sinclair Priming Tool Shell Holder is used only with compatible cartridges, specifically the 220 Swift and 225 Winchester.
- Always inspect the shell holder for any signs of wear or damage before use. Do not use if damaged.
- Keep the shell holder out of reach of children and vulnerable individuals to prevent accidents.
- Follow all manufacturer instructions and guidelines for the proper use of the Sinclair Priming Tool.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the priming tool.
- Do not exceed the recommended cartridge specifications for the shell holder.
- Handle all ammunition with care and store it in a secure place.
- Do not modify the shell holder or the priming tool in any way, as this may compromise safety and performance.
- Ensure that your work area is clean and free from clutter to minimize the risk of accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure your Sinclair Priming Tool is on a stable surface.
- Select the correct Sinclair Priming Tool Shell Holder for your cartridge.
- Insert the shell holder into the priming tool until it clicks into place. Ensure it is securely fastened.

2. Usage:

- Load the cartridge into the shell holder.
- Follow the manufacturer's instructions for operating the priming tool.
- Apply consistent and even pressure when priming the cartridge.
- After use, remove the shell holder and clean it according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the shell holder responsibly. If it is damaged or no longer usable, follow local regulations for metal recycling.
- Do not dispose of any ammunition or components in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided

in the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety and for choosing Sinclair Priming Tool Shell Holders. Your adherence to these guidelines helps ensure a safe and effective experience.
