Sinclair Priming Tool Shell Holders Safety Instructions

Introduction

Thank you for choosing the Sinclair Priming Tool Shell Holder #19 from Sinclair International. This product is designed for use with various cartridges, including 9mm Luger, 357 SIG, 40 S&W, and 10mm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle the priming tool and shell holders with care to avoid accidental injury.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this guide.
- Regularly check for wear and tear on the shell holders to ensure they remain safe to use.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the Sinclair Priming Tool Shell Holder, ensure that your work area is free of distractions.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling cartridges and the priming tool.
- Do not exceed the manufacturer's recommended cartridge specifications, as this may lead to dangerous malfunctions.
- Ensure that the shell holder is securely attached to the priming tool before use.
- Never attempt to modify or repair the product yourself. Seek professional assistance if needed.
- Be aware of potential hazards associated with the cartridges you are using, including but not limited to explosive risks.

Instructions for Installation and Usage

Installation

1. Prepare the Work Area:

- Ensure your work area is clean and wellorganized.
- Gather all necessary tools and materials.

2. Attach the Shell Holder:

- Select the appropriate shell holder for your cartridge (e.g., #19 for 9mm Luger).
- Align the shell holder with the priming tool.
- Securely fasten the shell holder to the priming tool according to the manufacturer's instructions.

Usage

1. Load Cartridges:

- Insert the cartridge into the shell holder, ensuring it is seated properly.
- Check that the cartridge is aligned correctly before proceeding.

2. Priming Process:

- Follow the instructions provided with the priming tool for the priming process.
- Apply steady pressure as instructed to avoid damaging the cartridge or tool.

3. PostUse:

- After use, remove the shell holder from the priming tool.
- Clean the shell holder and tool according to the maintenance instructions provided by the manufacturer.

Disposal Instructions

- Dispose of any damaged or wornout shell holders in accordance with local regulations.
- If the product is no longer in use, ensure it is disposed of safely to prevent any accidental use.
- Recycle packaging materials where applicable.

Contact Information for Further Support

For safety inquiries or additional support regarding the Sinclair Priming Tool Shell Holder, please refer to the manufacturer's contact details provided with your purchase.

Thank you for prioritizing safety while using the Sinclair Priming Tool Shell Holders. By following these guidelines, you can help ensure a safe and effective experience.
