Sinclair Priming Tool Shell Holders Safety Instruction Guide

Introduction

Thank you for choosing the Sinclair Priming Tool Shell Holder, Model #21, designed specifically for use with the Sinclair Priming Tool. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the shell holder.

General Safety Guidelines

- Ensure that the Sinclair Priming Tool Shell Holder is compatible with your Sinclair Priming Tool.
- Always inspect the shell holder for any signs of damage or wear before use.
- Keep the shell holder out of reach of children and vulnerable individuals.
- Use the shell holder only for its intended purpose, as specified in this guide.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use may lead to injury or damage to the equipment.
 - Risk of misfire or malfunction if used with incompatible cartridges.
- **Avoiding Hazards:**
 - Always ensure that the shell holder is securely attached to the priming tool before use.
 - Do not attempt to modify or alter the shell holder in any way.
 - Use only cartridges that match the specifications provided: 6.8 mm Remington SPC, 30 Remington, 224 Valkyrie.
 - Wear appropriate safety gear, such as safety glasses, while using the priming tool.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the Sinclair Priming Tool is not loaded and is in a safe condition.
 2. Select the appropriate shell holder for your cartridge.
 3. Align the shell holder with the priming tool as per the manufacturer's instructions.
 4. Securely fasten the shell holder to the priming tool, ensuring it is properly seated.
- **Usage:**
 1. Load the cartridge into the shell holder.
 2. Follow the priming tool instructions for safe operation.
 3. Always check for proper fit and function before proceeding with reloading.
 4. After use, remove the shell holder from the priming tool and store it in a safe location.

Disposal Instructions

- Dispose of any damaged or worn shell holders in accordance with local regulations.
- Do not throw away in regular household waste. Check for designated recycling or hazardous waste

disposal options.

Contact Information for Further Support

For any questions or concerns regarding the Sinclair Priming Tool Shell Holder, please consult the manufacturer's customer support resources. Always ensure that you have the model number and any relevant information on hand when seeking assistance.

By following these guidelines, you can ensure a safe and effective reloading experience with your Sinclair Priming Tool Shell Holder. Thank you for your attention to safety.
