Sinclair Priming Tool Shell Holders Safety Instruction Guide

Introduction

Thank you for choosing the Sinclair Priming Tool Shell Holders. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the shell holders to maximize safety and performance.

General Safety Guidelines

- Always ensure that the Sinclair Priming Tool Shell Holder is compatible with your specific priming tool before use.
- Inspect the shell holder for any signs of wear or damage before each use.
- Keep the shell holders out of reach of children and pets to prevent accidental injury.
- Use the shell holders only for their intended purpose as specified in this guide.
- If you experience any issues or concerns regarding the shell holders, stop using them immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that your workspace is clean and free from clutter to avoid accidents.
- Always wear appropriate eye protection when using the priming tool and shell holder.
- Use gloves if necessary to prevent skin irritation from handling materials.
- Do not exceed the recommended cartridge specifications when using the shell holders.
- Be mindful of your surroundings and ensure that no unauthorized persons are nearby while you are using the tool.

Instructions for Installation and Usage

1. Installation of Shell Holder:

- Ensure the Sinclair Priming Tool is unplugged or turned off.
- Select the appropriate shell holder for your cartridge (e.g., #24 for 505 Gibbs, 9.5x77mm, 10.36x77mm).
- Align the shell holder with the tool's mounting area and press it firmly into place until it is securely fitted.

2. Using the Priming Tool:

- Load the cartridge into the shell holder carefully.
- Follow the manufacturer's instructions for operating the Sinclair Priming Tool.
- Monitor the priming process closely to ensure proper function.

3. PostUse Care:

- After use, remove the shell holder from the priming tool and clean it with a dry cloth.
- Store the shell holders in a safe, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn shell holders in accordance with local regulations.
- Do not throw the shell holders in regular household waste if they can be recycled. Check with local

recycling programs for appropriate disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Sinclair Priming Tool Shell Holders, please refer to the manufacturer's contact information provided on the product packaging or visit the official website for further assistance.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and effective experience with the Sinclair Priming Tool Shell Holders. Thank you for your attention to safety and for choosing our product.
