

A-FRAME BONDED BULLETS - 6.5MM (0.264") 120GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

Attributes

- Name: [6.5MM \(0.264"\) 120GR SEMI-SPITZER 50/BOX](#)
- Manufacturer: [SWIFT BULLET](#)
- Product no.: 749101051

AFRAME BONDED BULLETS 6.5MM (0.264") 120GR SEMISPITZER Safety Instruction Guide

Introduction

Thank you for choosing AFrame® Bonded Bullets. This guide provides essential safety instructions to ensure the safe handling and usage of our product. Please read this document carefully to understand how to use the bullets safely and effectively.

General Safety Guidelines

- Always treat all ammunition as if it is loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Use only in firearms that are specifically designed for the caliber.
- Follow all local, state, and federal laws regarding ammunition storage, use, and transportation.
- Inspect ammunition before use. Do not use damaged or corroded bullets.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the firearm is in good working condition and properly maintained.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not shoot at hard surfaces or water to prevent ricochets.
- Avoid using ammunition in firearms that are not rated for the specific caliber.
- Follow the manufacturer's instructions for loading and unloading the firearm.
- Do not exceed the recommended load specifications for your firearm.

Instructions for Installation and Usage

• Loading the Bullets:

- Open the ammunition box carefully to avoid damaging the bullets.
- Inspect each bullet for any visible defects before loading.
- Load bullets into the magazine according to the firearm's specifications.
- Ensure the firearm is pointed in a safe direction when loading.

• Firing the Bullets:

- Make sure the firearm is pointed downrange and the safety is engaged.
- Disengage the safety only when ready to fire.
- Squeeze the trigger gently and steadily. Do not jerk the trigger.
- After firing, keep the firearm pointed downrange until you are sure it is safe to check.

• Unloading the Bullets:

- Point the firearm in a safe direction.
- Engage the safety before attempting to unload.
- Remove the magazine and clear the chamber according to the firearm's instructions.
- Inspect the firearm to ensure it is completely unloaded.

Disposal Instructions

- Dispose of spent casings and bullets in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding AFrame® Bonded Bullets, please refer to the appropriate contact points available through your retailer or manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with AFrame® Bonded Bullets. Always prioritize safety and adhere to all guidelines to protect yourself and others. Thank you for choosing our product, and happy hunting!
