

# A-FRAME BONDED BULLETS - SWIFT BULLET 270 CALIBER (0.277") 130GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

# AFRAME BONDED BULLETS SWIFT BULLET 270 CALIBER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the AFrame® Bonded Bullets Swift Bullet 270 Caliber (0.277") 130gr SemiSpitzer. This product has been designed with the utmost care to ensure safety and performance. Please read this safety instruction guide thoroughly to understand how to use this product safely and effectively.

## General Safety Guidelines

- Ensure that you are legally allowed to possess and use this product in your jurisdiction.
- Always store ammunition in a secure location, away from children and unauthorized users.
- Use appropriate protective gear, including eye and ear protection, when handling or firing ammunition.
- Always follow the manufacturer's guidelines for your firearm to ensure compatibility with this ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper handling of ammunition can lead to accidental discharge.
- Using ammunition that is not compatible with your firearm can result in malfunctions or damage.
- Exposure to lead may occur when handling ammunition; wash hands thoroughly after use.

### • Instructions for Avoiding Hazards:

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Do not load ammunition into your firearm until you are ready to shoot.
- Ensure the firearm is in good working condition before use.
- Avoid using ammunition that appears damaged or deformed.

### • Age and AudienceSpecific Warnings:

- This product is intended for use by individuals who are 18 years of age or older.
- Ensure that inexperienced users are supervised by a qualified adult when handling or using this ammunition.

## Instructions for Installation and Usage

### • Installation:

- There is no installation required for ammunition. Ensure that you are using the correct caliber for your firearm.

### • Usage:

- Load the ammunition into the magazine of your firearm as per the manufacturer's instructions.
- Before firing, ensure that the firearm is pointed in a safe direction and that the area is clear of obstructions and bystanders.

- Follow the specific loading and firing instructions provided by the firearm manufacturer.
- After firing, check the firearm for any signs of malfunction before reloading.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Contact local authorities or hazardous waste disposal services for proper disposal methods.
- Always ensure that ammunition is stored securely until it can be disposed of properly.

## **Contact Information for Further Support**

For any questions or concerns regarding the AFrame® Bonded Bullets Swift Bullet 270 Caliber, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safer experience when using the AFrame® Bonded Bullets Swift Bullet 270 Caliber. Thank you for prioritizing safety in your shooting activities.
