

A-FRAME BONDED BULLETS - 270 CALIBER (0.277") 140GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

Attributes

- Name: [270 CALIBER \(0.277"\) 140GR SEMI-SPITZER 50/BOX](#)
- Manufacturer: [SWIFT BULLET](#)
- Product no.: 749101053
- Mfr. No.: 271400
- Ballistic Coefficient (G1): 0.414
- Brand Style: A-Frame
- Bullet Style: Semi-Spitzer
- Caliber: 270 Caliber
- Diameter (in): 0.277
- Grain: 140
- Sectional Density: 0.261
- Quantity: 50
- Delivery weight: 0.522kg
- Shipping height: 41mm
- Shipping width: 61mm
- Shipping length: 109mm
- UPC: 713351271400

Safety Instruction Guide for AFRAME BONDED BULLETS 270 CALIBER (0.277") 140GR SEMISPITZER

Introduction

Thank you for choosing AFRAME BONDED BULLETS. This guide provides essential safety instructions to ensure the safe and effective use of this product. It is important to follow these guidelines to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all users are trained and knowledgeable about the safe handling and usage of ammunition.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Regularly check for any signs of damage or deterioration in the ammunition packaging.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Ensure that firearms are in proper working condition and suitable for the caliber of ammunition being used.
- Do not use ammunition that is damaged, corroded, or shows signs of wear.
- Avoid mixing different brands or types of ammunition.
- Follow all local laws and regulations regarding the use of ammunition.
- Always handle ammunition with care and avoid any unnecessary exposure to heat or flame.

Instructions for Installation and Usage

- Before loading ammunition, ensure that the firearm is pointed in a safe direction.
- Open the ammunition box carefully to avoid damaging the bullets.
- Load the ammunition into the magazine or chamber of the firearm according to the manufacturer's instructions.
- When ready to fire, ensure that the firearm is stable and that you have a clear line of sight to your target.
- After firing, always check the firearm to ensure it is clear and safe before handling further ammunition.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash; instead, contact local authorities for proper disposal methods.
- Ensure that any spent casings are collected and disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any safety inquiries or further support, please refer to your local regulatory authority or the manufacturer's website for contact details and assistance.

By following these guidelines, you can ensure the safe use of AFRAME BONDED BULLETS and contribute to a safer shooting environment. Thank you for your attention to these important safety measures.
