

A-FRAME BONDED BULLETS - SWIFT BULLET 8MM (0.323") 200GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

AFRAME BONDED BULLETS SWIFT BULLET 8MM

Safety Instructions

Introduction

Thank you for choosing the AFrame® Bonded Bullets Swift Bullet 8mm (0.323") 200gr SemiSpitzer. This product has been designed with safety and performance in mind. Please read this safety instruction guide carefully to ensure safe handling and use of the bullets.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Always treat all firearms and ammunition as if they are loaded.
- Store ammunition in a cool, dry place away from direct sunlight and humidity.
- Keep ammunition out of reach of children and unauthorized persons.
- Regularly inspect ammunition for any signs of damage or corrosion before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the AFrame® Bonded Bullets in firearms that are specifically chambered for 8mm ammunition.
- Wear appropriate eye and ear protection when handling or firing firearms.
- Do not attempt to modify the bullets or use them in a manner other than intended.
- Ensure that your firearm is in good working condition before use.
- Always follow the manufacturer's instructions for your specific firearm.

Instructions for Installation and Usage

- When loading ammunition, ensure that the firearm is pointed in a safe direction.
- Open the magazine and carefully insert the AFrame® Bonded Bullets into the magazine according to the manufacturer's guidelines.
- Close the magazine securely before chambering a round.
- When ready to fire, ensure that you are in a safe and controlled environment.
- After firing, inspect the firearm and ammunition for any signs of malfunction.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Contact local waste management authorities for proper disposal methods.
- If you experience a misfire, follow the manufacturer's instructions for handling misfires safely.

Contact Information for Further Support

For any inquiries regarding safety, usage, or concerns about the AFrame® Bonded Bullets, please refer to the manufacturer's contact information provided with the product packaging.

By adhering to these safety instructions, you can help ensure a safe and enjoyable experience with the AFrame® Bonded Bullets Swift Bullet 8mm. Thank you for prioritizing safety in your shooting activities.
