

A-FRAME BONDED BULLETS - 338 CALIBER (0.338") 275GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

Attributes

- Name: [338 CALIBER \(0.338"\) 275GR SEMI-SPITZER 50/BOX](#)
- Manufacturer: [SWIFT BULLET](#)

AFRAME BONDED BULLETS 338 CALIBER Safety Instruction Guide

Introduction

Welcome to the safety instruction guide for the AFrame Bonded Bullets 338 Caliber. This guide is designed to provide you with essential safety information and guidelines to ensure the safe use of this product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and enhance their safety.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the AFrame Bonded Bullets by following all safety instructions. This product is designed for use in firearms and should be handled with care.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If a recall occurs, follow the instructions provided for safe disposal or return.
- **Online Shopping:** When purchasing online, ensure that you are buying from a reputable source that complies with safety regulations.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. It is intended for use by responsible adults only.
- **EU Contact Point:** For any safety inquiries or concerns, refer to the EU-based contact point provided by the manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Handling:**
 - Always handle bullets with care and store them in a secure, dry place.
 - Avoid exposing bullets to extreme temperatures or humidity.
- **Usage:**
 - Only use these bullets in firearms that are chambered for .338 caliber ammunition.
 - Ensure the firearm is in good working condition before use.
- **Recoil Management:**
 - Be aware of the recoil generated when firing this ammunition. Use appropriate stance and grip to manage recoil effectively.
- **Protective Gear:**
 - Always wear appropriate eye and ear protection when shooting.
- **Distraction-Free Environment:**
 - Ensure that your shooting environment is free from distractions and that you have a clear line of sight.

Instructions for Installation and Usage

- **Installation:**
 - Load the bullets into the magazine of your firearm according to the manufacturer's instructions for your specific firearm model.
 - Ensure that each bullet is seated properly and that the magazine is securely closed.
- **Usage:**
 - Before firing, check your surroundings to ensure that you have a safe shooting area.
 - Follow standard firearm safety protocols, including keeping the muzzle pointed in a safe direction and keeping your finger off the trigger until ready to fire.
- **PostUse:**
 - After use, clean your firearm according to the manufacturer's instructions to maintain its condition and performance.

- Store any unused bullets in their original packaging in a secure location.

Disposal Instructions

- Dispose of any unused or expired bullets in accordance with local regulations.
- Do not throw bullets into regular trash. Instead, contact local authorities for guidance on hazardous waste disposal.
- If a recall occurs, follow the manufacturer's instructions for safe return or disposal.

Contact Information for Further Support

For further assistance or inquiries regarding the AFrame Bonded Bullets, please refer to the contact information provided by the manufacturer. Ensure that you have the product details ready when reaching out for support.

By following these safety instructions, you can help ensure a safe and enjoyable experience with the AFrame Bonded Bullets 338 Caliber. Always prioritize safety and be responsible in your use of firearms and ammunition.
